2008 Season Preview

The University of New Haven women's lacrosse team enters the 2008 season with very high expectations, perhaps the highest in the eight-year history of the program. Head coach **Jen Fallon**, a former All-American at Sacred Heart, leads the Chargers, who are looking to build upon their 7-10 record last season. That matched a program high for wins in a season. The Chargers lost only two seniors and return twelve players from last year's team.

"We are definitely out to improve upon our record from a year ago, and I think we have the personnel to be able to do that," says Fallon. UNH is

led by captains **Brigid Brady**, **Mallory Ferrandiz**, and **Heather Miles**. Both Ferrandiz and Miles are returning from injuries and each missed significant time last season. "We're excited to have Heather return after red-shirting last season. She brings experience and good game sense along with her ability to finish a scoring play."

Ferrandiz, who tallied 63 points as a freshman two years ago is looking to make an impact on the team in her third season. "We are also looking forward to Mallory's return. She is such a complete player and the person on the field that can really dictate the pace of things."

2008 Season Preview

continued from page 1

Junior captain **Brigid Brady** is aiming to repeatedly find the back of the net, as she has had no problems doing. Over the past two seasons, Brady has accumulated 129 points, including an impressive 114 goals. She currently leads UNH all-time in goals and points. "Brigid is a competitor that goes out every day with the intention of helping her team win games. She is a natural attacker and we are finally deep enough that we can move her out of the midfield and on to the attack where she can really focus her energy."

Kristine Lambracht, Sarah LeGoff, Brianna Kenworthy and Stephanie Usseglio have all developed a sense of confidence over the last year. "Sarah has a quick first step and finishes well. Kristine is one of our hardest working athletes. She gets the job done on both ends of the field and despite her offensive output last season, will likely be one of our strongest defensive players this year. Brianna is the fastest player on the team and will look to be a force for us offensively. Stephanie works hard on attack and will likely contribute offensively."

Ashley Griffin, one of the team's most aggressive de-

fenders, will certainly be a difference-maker on the defensive end. She will be the defensive leader in front of the Chargers' less experienced goalkeepers. Coach Fallon also points out junior defender **Stacey Krasnoff** "has come along way in a short period of time and I'm excited to see how her development at practice transfers to the game field."

Sophomore **Maryellen Shea** also will contribute heavily on the defensive end. "She is a well-rounded athlete and a strong player on the draw circle," says Fallon. Sophomore **Laura Cote** and senior **Erin Metcalf** round out the defender.

The 2008 freshman class will certainly be tested this season. Both freshman goalkeepers, **Shannon Kilburn** and **Shannon Greenwood**, are expected to see the field this season. Fallon notes, "they will likely split time—but both are seeing the ball well and improving every day."

Expected to make an immediate impact in the mid-field is freshman **Ashley Ferrandiz**, sister of junior Mallory. "She sees the field well and the spark she provides is fun to watch." Fellow freshmen **Nicole Van Leer, Carolina Marrero, and Lisa Barnard** are scoring threats that will round out the offense.

JEN FALLON

HEAD COACH

SECOND SEASON

RECORD: 7-10 (.412)

ALMA MATER: SACRED HEART, 1996

Jen Fallon will enter her second season as the head coach of the women's lacrosse team at the University of New Haven in the spring of 2008. Fallon will look to improve upon the 7-10 record from her first season in 2007, when the Chargers played five top-10 nationally ranked programs. UNH finished up the 2007 campaign with an emphatic 12-11 win over tenth-ranked Philadelphia University, and had a pair of all-Region selections.

Fallon was an All-American lacrosse player and soccer star for Sacred Heart University from 1992-96, and went on to become the Pioneers' head women's soccer coach from 1997-2000. Fallon also served as the school's assistant compliance coordinator for two years while coaching.

Most recently, Fallon was the head girl's lacrosse coach and physical education teacher at Greens Farms Academy in Westport, Conn., with additional duties in the areas of policy & curriculum and athletic game management.

"Jen brings a wealth of high-level lacrosse experience to New Haven," said UNH Athletic Director Deborah Chin at the time of Fallon's appointment. "She earned All-America honors at the Division II level and knows what it takes to succeed on and off the field. We are excited that Coach Fallon is joining the Charger family."

As a collegiate lacrosse player, Fallon was a three-time Division II All-America selection (1994-96) and is Sacred Heart's all-time scoring leader with 264 career points. She scored 212 career goals with 52 assists, and in her All-American seasons posted three of the school's top four single-season point totals. She is 20th on the D-II national career scoring list, and is ninth all-time in goals scored.

In soccer, Fallon was a four-time All-New England and All-Northeast selection, adding three All-Conference awards. She is still the school's all-time single-season and career scoring leader.

"I'm excited for the opportunity to be a part of this program and the University of New Haven," Fallon said. "I look forward to continuing the progress that this team has already made. One of my goals is to keep the UNH women's lacrosse program moving toward being one of the top ten teams in Division II."

A native of Milford, Conn., Fallon earned her bachelor's degree in psychology from Sacred Heart in 1996. She is a member of the U.S. Lacrosse Association, the CGSCA and NSCAA, and is CPR and AED certified. She resides in Fairfield, Conn.

BETH HEMMINGER

ASSISTANT COACH
FOURTH SEASON
WOOSTER, 2003

Beth Hemminger starts her fourth year with the University of New Haven's women's lacrosse team after joining the staff in 2005. She earned All-American honors three times for the Wooster lacrosse team. In 2003, she was NCAC offensive player of the year and she is still the leading point scorer in both NCAC and Wooster's school history.

Beth served as an assistant lacrosse coach for her alma mater in 2004, helping them to a first place conference finish. Beth was also a four-year starter for Wooster's soccer team and earned All-Conference and All-Regional accolades from 2001-2003.

SHANNON DONOHUE

GRADUATE ASSISTANT
FIRST SEASON
MUHLENBERG, 2006

Shannon Donohue enters her first season as a graduate assistant with the University of New Haven women's lacrosse team. She was a four-year starter for Muhlenberg College in Allentown, Pennsylvania, where she was selected to the Centennial Conference honor roll three times and is the 4th-leading scorer in school history. In her senior season, Donohue ranked 4th nationally in assists per game for Division III.

Donohue is currently working towards her Master's degree in Management of Sports Industries at the University of New Haven. While attending Muhlenberg College, the Shoreham, New York native earned her undergraduate degree in Media and Communications.

Founded as the New York Collegiate Athletic Conference in 1989 and rechristened the East Coast Conference in July 2006, the ECC was formed to enhance intercollegiate athletic competition among member institutions and to assist them in integrating athletics into their academic program in a fiscally sound way. The ECC is committed to the highest standards of scholarship, sportsmanship, teamwork, and citizenship. Its mission is to promote the total person concept in its student-athletes, which stresses the abilities to excel in academic achievement, athletic competition, and positive character traits.

The ECC is a proud member of the NCAA and Division II, a dynamic and engaging group of colleges, institutions and conferences of varying sizes and educational missions. Division II members encourage and support diversity; value sportsmanship, fairness and equity; and place the highest priority on the overall educational excellence of the student-athlete.

"I would have never dreamed of being as satisfied with my choice of a college as I am now. What originally drew my attention to this university was the opportunity to be a member of the women's lacrosse and cross country teams. The academic offerings and opportunities sealed my decision to attend UNH because I knew that here I would actually be a person with a name rather than just a number. I wanted to be able to have a close relationship with my fellow students and athletes, the teachers in my major, and the staff that I interact with on a day-to-day basis. I like walking around and seeing friendly and familiar faces rather than people that I do not recognize or have any connection to. Division II offers an even balance between athletics and academics, while also allowing free time for other activities. I could not picture myself being happier anywhere else. I chose UNH. I chose Division II."

-Kristine Lambracht, sophomore

PASSION BALANCE RESOURCEFULNESS SERVICE LEARNING SPORTSMANSHIP

WHO ARE WE?

Life in the Balance.

As an NCAA Division II institution, our emphasis for the student-athlete experience is a comprehensive program of learning and development in a personal setting. Our approach provides growth opportunities through academic achievement, learning in high-level athletic competition and development of positive societal attitudes in service to community. The balance and integration of these different areas of learning opportunity provide our student-athletes a path to graduation while cultivating a variety of skills and knowledge for life ahead.

WHAT DO WE STAND FOR?

Learning

We provide multiple opportunities to broaden knowledge and skills.

Service

We develop positive societal attitudes through contributions to community.

Passion

We possess enthusiastic dedication and desire in effort.

Sportsmanship

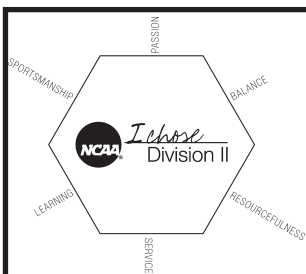

We have a respect for fairness, courtesy and ethical conduct toward others.

Resourcefulness

We develop a versatile skill set drawn from a broad range of experiences.

Balance

We place emphasis on collective knowledge and an integration of skills.

Why a Hexagon?

The hexagon is a representation of the six attributes that define the Division II experience. Those attributes are learning, passion, resourcefulness, sportsmanship, service and balance. The hexagon is an iconic symbol that can be utilized to express these attributes.

CHARGER ATHLETICS CLUB MEMBERS - 2006-07 Fiscal Year

In the Summer of 2007, Kayo Field - in the heart of the UNH campus - underwent a million-dollar renovation to implement a synthetic turf surface. It is the new home of the UNH soccer & lacrosse teams, and has improved recreational opportunities for the campus community.

Your generous donations help make our capital improvements possible. We have a number of facility upgrades in the planning stages and need your help to bring them to life.
