FACULTY

Over 80% hold PhD's or the highest degree in their fields. Many have backgrounds as working professionals and are consultants to Connecticut businesses, bringing hands-on experience to the classroom. UNH has a student-to-faculty ratio of 15:1.

ACADEMIC PROGRAMS

UNH offers Associate's, Bachelor's, and Master's Degrees in 114 programs in Arts & Sciences; Business; Engineering; and Justice, Safety and Security Studies. There are nearly 100 different undergraduate programs and 27 graduate programs.

SPECIAL ACADEMIC PROGRAMS

Honors Program for highly-motivated students with high levels of academic achievement. Freshman-year program for all new freshmen to help them make the transition into university life. Developmental Studies Program for students requiring strengthening of basic academic skills. Center for Learning Resources offers free tutoring for students seeking extra help with their studies.

INTERNSHIPS

Our location in New Haven and proximity to New York City and Hartford allow us to offer internships with a wide variety of businesses, government, and non-profit agencies, including ESPN, MTV, Disney, FBI Crime Labs, U.S. Attorney's Offices, Unilever, and United Technologies Corporation, among others.

RESIDENTIAL LIFE

Making you feel at home is a priority at UNH. Our on-campus housing is available in eight residence halls. Residential Life staff members live in each hall and help promote an atmosphere conducive to study and social interaction among students. Residence Hall Councils, composed of students elected by their peers, plan social and recreational activities and serve as representatives for students living in each hall. Room accommodations range from traditional residence halls (equipped with a fitness room and campus convenience store) to multi-bedroom, apartment-style residences.

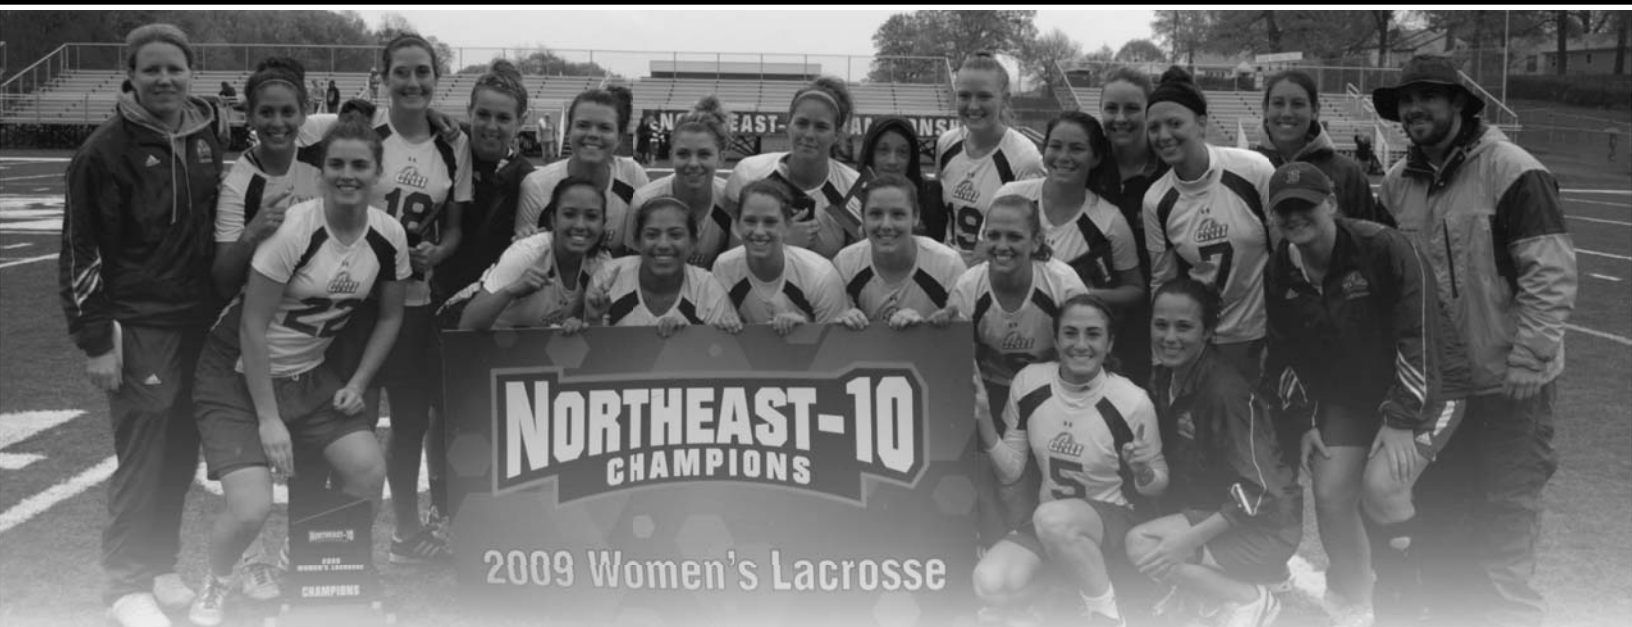

The David A. Beckerman Recreation Center, opened Fall 2007. Made possible by a generous donation from alumnus David A. Beckerman, the Center includes

basketball courts; a multi-sport court for rollerblading, roller hockey, volleyball and indoor soccer; a fitness center with aerobic equipment, weights and televisions; a multi-purpose room for yoga, step aerobics, Pilates and other activities; an elevated running track; and a lounge area for relaxation.

Head Coach: Jen Fallon (Sacred Heart, 1996) – Fourth Season

Assistant Coach: Nicole Fiore – First Season

Assistant Coach: Mallory Ferrandiz – First Season

JEN FALLON

HEAD COACH
FOURTH SEASON
RECORD OVERALL: 37-17 (.685)
2008 NCAA D-II COACH OF THE YEAR
ALMA MATER: SACRED HEART '96

Jen Fallon enters her fourth season as the head coach of the women's lacrosse team at the University of New Haven in the spring of 2010.

In 2009, Fallon guided UNH to the program's first ever postseason appearance in the Northeast-10 Conference Championship. The team earned the top seed after gaining a share of the 2009 NE-10 Regular Season Championship. The team went on to record the program's first ever postseason victory and conference championship with a 12-7 victory over Southern New Hampshire in the NE-10 Championship game. Fallon also earned NE-10 Women's Lacrosse Coach of the Year honors after leading the team to a 9-1 conference record. The Chargers were also one of only six teams in the nation to compete in the NCAA Division II Women's Lacrosse Championship tournament in 2009. The '09 squad climbed the Division II polls and finished the season ranked seventh, while two student-athletes (Mallory Ferrandiz, Ashley Ferrandiz) earned All-America honors as well.

Fallon guided the Chargers to a 14-3 record in 2008 and was named both the *Inside Lacrosse* Division II National Coach of the Year and the East Coast Conference Coach of the Year in just her second season. That season the Brigid Brady became the women's lacrosse program's first ever Division II All-America

honoree as we helped lead the Chargers with her second-straight 50-goal season.

Prior to UNH, Fallon served as the head girl's lacrosse coach and physical education teacher at Greens Farms Academy in Westport, Conn., with additional duties in the areas of policy & curriculum and athletic game management.

Fallon started her coaching career at her alma mater in 1997 as Sacred Heart University's head women's soccer coach from 1997-2000. Fallon also served as the school's assistant compliance coordinator for two years while coaching.

As a collegiate lacrosse player, Fallon was a three-time Division II All-America selection (1994-96) and is Sacred Heart's all-time scoring leader with 264 career points. She scored 212 career goals with 52 assists, and in her All-American seasons posted three of the school's top four single-season point totals. She is 20th on the D-II national career scoring list, and is ninth all-time in goals scored.

A native of Milford, Conn., Fallon earned her bachelor's degree in psychology from Sacred Heart in 1996. She is a member of the U.S. Lacrosse Association, the CGSCA and NSCAA, and is CPR and AED certified. She resides in Fairfield, Conn.

MALLORY FERRANDIZ

FIRST SEASON

ASSISTANT COACH

ALMA MATER: NEW HAVEN, 2009

After completing one of the most successful women's lacrosse careers at the University of New Haven, Mallory Ferrandiz joins the UNH coaching staff in 2010 as an assistant coach.

The former Charger recently completed her degree in Nutrition and Dietetics at UNH along with a very successful lacrosse career. The West Sayville, N.Y. native was named to the NCAA Division II All-America Team as a senior and was named the Northeast-10 Conference Championship Most Valuable Player.

She graduated as New Haven's all-time leader

in assists (67), while ranking second in total points (213) and goals (146). She also ranks in the top 10 in a number of single season and single game records at UNH as well.

During her undergraduate years, Ferrandiz also worked with a number of youth organizations helping with clinics and youth coaching.

NICOLE FIORE

FIRST SEASON

ASSISTANT COACH

ALMA MATER: QUINNIPIAC, 2009

Nicole Fiore will begin her first season as assistant coach to the University of New Haven women's lacrosse team.

Fiore comes to New Haven following a four-year lacrosse career at Quinnipiac University, graduating in May of 2009. A 2009 First-Team All-Northeast Conference pick, Fiore led the Bobcats with a team-high 54 points including 40 goals and 14 assists, while helping her team to back-to-back appearances in the NEC Championship match (2008-09).

As an undergraduate she worked extensively at coaching camps, including the Quinnipiac University summer lacrosse camps, Quinnipiac University women's lacrosse clinics and Cheshire and North Haven youth lacrosse clinics.

"As a student athlete, I knew I needed to find an institution that would challenge me both in the classroom and on the field. UNH offers that challenge. Being a member of a dedicated Division II program has taught me to balance my passion for both athletics and development in the classroom. Competing with other talented individuals, and learning from enthusiastic coaches and professors has made my time here at UNH truly life changing. The welcoming community made the transition from high school an enjoyable one and our dedication to community service has helped me develop into a well rounded individual. I chose the University of New Haven. I chose Division II. ."

Maureen Spellman, Sophomore

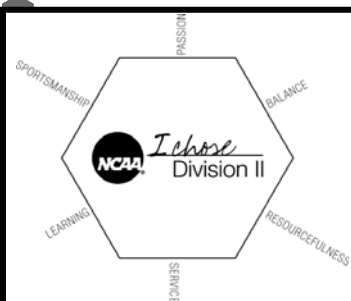

I chose
Division II

WHO ARE WE?

Life in the Balance.

As a NCAA Division II institution, our emphasis for the student-athlete experience is a comprehensive program of learning and development in a personal setting. Our approach provides growth opportunities through academic achievement, learning in high-level athletic competition and development of positive societal attitudes in service to community. The balance and integration of these different areas of learning opportunity provide our student-athletes a path to graduation while cultivating a variety of skills and knowledge for life ahead.

Why a Hexagon?

The hexagon is a representation of the six attributes that define the Division II experience. Those attributes are learning, passion, resourcefulness, sportsmanship, service and balance. The hexagon is an iconic symbol that can be utilized to express these attributes.

WHAT DO WE STAND FOR?

Learning

We provide multiple opportunities to broaden knowledge and skills.

Service

We develop positive societal attitudes through contributions to community.

Passion

We possess enthusiastic dedication and desire in effort.

Sportsmanship

We have a respect for fairness, courtesy and ethical conduct toward others.

Resourcefulness

We develop a versatile skill set drawn from a broad range of experiences.

Balance

We place emphasis on collective knowledge and an integration of skills.

NORTHEAST-10 CONFERENCE

The Northeast-10 enters its 29th year as there is little surprise why the Northeast-10 Conference has continued to grow stronger year by year since it's inception and now stands as a model conference of NCAA Division II.

The conference was built from the ground up with strong cornerstones and a vision of becoming the premier Division II NCAA athletic conference in the nation. A quick look around the league today will tell even the casual observer that the NE-10 has done so. The conference is a powerful union of strong academic and athletic colleges and universities that incorporates 16 institutions from New York and New England. The NE-10 sponsors the most championship sports of any Division II conference in the nation.

The Northeast-10 can look to a long history of successes – the growth from seven original schools to more than double its size 20 years later – the contention for and winning of national championships – the change in league structure from on-campus administration to a central governing location – the anticipation of, coping with and addition of modern technology – the recognition of student-athlete performances in the classroom where the *real* competitions are played out – all of them have been built thanks to the hard work and dedication through the years of thousands of people who have, at one time or another, called the Northeast-10 home for their athletics program or their livelihood.

The NE-10 history began with the vision of a few good men and women. It was back in 1979 that a handful of athletics directors realized that the world of college athletics was changing and that they, and their programs, would have to change as well.

In the late 1970's and early 1980's the NCAA began to emphasize the importance of conferences in organizing competition and determining bids to NCAA national tournaments. The NCAA required six teams to be recognized as a conference in order to award championships, and the creation of national tournaments with automatic qualifiers to league champions became a new goal towards which teams could strive.

The founding fathers of the NE-10 were only happy to comply. Thus, a handful of athletic directors at smaller schools, classified Division II and of similar scope, academic makeup and athletic abilities hatched the idea of a new athletics conference in New England. Therefore, on October 9, 1979, a simple press release announced that a new unnamed Division II conference was being formed. Eight months later, at the Pleasant Valley Country Club in Springfield, Mass., the league was publicly announced.

The Northeast-7 Conference established instant credibility in its membership and that credibility led to a slow but continued expansion through the years. The admittance of Saint Anselm in 1981 created the Northeast-8. In 1984, Hartford joined the ECAC Division I North Atlantic Conference but was immediately replaced by Merrimack.

The "Northeast-10" name came about when Saint Michael's and Quinnipiac joined the league in 1987 and the conference remained stable until 1995 when Springfield left for Division III. The league stayed at 10 members as Le Moyne joined the league in 1996 from the New England Collegiate Conference (NECC) and briefly expanded to 11 when Pace joined in 1998 from the New York Collegiate Athletic Conference (NYCAC). Quinnipiac elevated to the Division I Northeast Conference (NEC) to again return the foundation of 10 until the last major expansion took place prior to 2001 when five new schools joined the fold. Franklin Pierce, Southern New Hampshire University (formerly New Hampshire College), the University of Massachusetts Lowell and Southern Connecticut State University were joined by the College of Saint Rose.

In 2008, Bryant University departed for Division I and the University of New Haven immediately to replace Bryant in all sports, maintaining a 15 institutions in the conference.

Adelphi University, becomes the newest member of the conference this year, bringing membership to 16 full-time institutions.

Steven H. Kaplan, Ph.D. *President, University of New Haven*

Steven Kaplan, Ph.D., became the 6th president of the University of New Haven on July 1, 2004. Dr. Kaplan joined a then nearly 85-year-old institution dedicated to real-life learning and career-focused higher education. With enrollment of 4500 undergraduate and graduate students representing more than 25 states and some 70 countries, UNH has several nationally ranked programs in a number of majors in business, engineering, public safety, and the liberal arts and sciences.

Dr. Kaplan was presented to the community in March 2004 by then-Board of Governors Chairman Robert Alvine, who characterized the then president-designate as energetic, well-liked and respected, focused and remarkably effective in mobilizing an institution's resources to achieve target results. His highest priorities for early action are strengthening the university's endowment, growing enrollment to optimum levels, and engendering an atmosphere for excellence among all constituencies. In the first months of his presidency he focused on establishing strong relationships with members and organizations within UNH's circle of constituents – faculty, students, administrators, alumni, friends, campus neighbors and leaders of Connecticut's business and public service communities. Within weeks of his arrival in Connecticut, an anonymous donor made a \$500,000 cash gift signifying his delight in the University's new leadership.

As president, he oversees a faculty of nearly 400 persons, 530 staff personnel and an annual budget of

\$65 million.

Previously, Dr. Kaplan was chancellor and professor of English at the University of Virginia's College at Wise, Virginia, the only four-year branch campus of the University of Virginia and one of the nation's best public colleges, according to *U. S. News & World Report*.

Dr. Kaplan began his teaching career in 1982 as an Instructor of English at the University of Maryland, European Division. From 1985-1989, he served as Visiting Lecturer in American Studies at Eberhard-Karls Universität, Tübingen, Germany – one of the oldest and most highly regarded universities in Europe. After completing his doctoral studies at Eberhard-Karls Universität, he returned to the U.S. to teach English at the University of Southern Colorado. Within three years, he was made department chair, serving in that capacity for two years before becoming director of the Center for International Studies.

Dr. Kaplan also served as dean of Arts and Humanities at SUNY College at Buffalo, an institution with about 11,000 students; and as Dean of the College of Liberal Arts and Sciences and acting provost at Butler University, an independent comprehensive institution of five colleges and 3,400 students, which is ranked by *U. S. News & World Report* as one of the top ten regional universities in the Midwest.

He completed his Ph.D. in Comparative Literature at Eberhard-Karls Universität in Germany and holds the Master of Arts degree (with a concentration in philosophy, German, and English), also from Eberhard-Karls Universität. He earned his Bachelor of Arts degree from the University of California at Los Angeles.

Dr. Kaplan is the author of a book on American translations of the poetry of Rainer Maria Rilke, a number of scholarly essays, a book on Tim O'Brien's fiction with

the University of South Carolina Press, and an anthology of international war stories with the University Press of Colorado.

Dr. Kaplan and his wife, Anemone Schweizer-Kaplan, are both ardent opera buffs and love to ballroom dance, hike, and downhill ski. They share a great love for the visual and performing arts and have traveled to over twenty-five countries in twenty-five years, including Tanzania where they hiked up Mt. Kilimanjaro. They have a son and three daughters.

Dr. Kaplan grew up in Chicago, the son of a shoe store owner and an actress-comedienne. His father, he said, taught him to love ideas and appreciate the contributions we all need to make to good causes. He was a good friend of Oskar Schindler, was instrumental in getting the story out in book and film form (associate producer of the film), and is the President of the Oskar Schindler Humanitarian Foundation. Dr. Kaplan also serves on the board of the foundation.

His wife grew up in Southwest Germany. She holds the equivalent of an American M.A. in Secondary Education and taught at a German high school. She is a ceramics artist and taught German and pottery during their time in Wise.

Deborah Chin, *Director of Athletics, University of New Haven*

Deborah Chin became the school's fourth director of athletics in 1993, and currently oversees a department which sponsors 17 NCAA Division II varsity sports. She was elected to the prestigious position of Chair for the NCAA's Division II Management Council for 2008.

UNH Athletics has enjoyed a high level of success across the board during Chin's tenure as Director of Athletics, advancing to NCAA tournament play 50 times in 14-plus years. UNH has recently made a number of capital improvements to athletic and recreational facilities, including the construction of the multi-million dollar David A. Beckerman Student Recreation Center, a \$1.3 million synthetic turf renovation of Kayo Field (soccer and lacrosse), as well as installation of state-of-the-art blue and yellow synthetic turf at the new Ralph F. DellaCamera Stadium. Chin spearheaded efforts to re-instate football as a varsity program and find UNH a new athletics conference that best fits the institution's long-term academic and athletic aspirations. Both goals were accomplished when UNH announced on November 13, 2007 that it had been accepted as a full member of the prestigious Northeast-10 Conference, effective the 2008-09 academic year. The Charger football team will return to the gridiron for the 2009 season.

A member of the University of New Haven staff since 1975, Chin began her UNH career as Coordinator of Women's Athletics. She was responsible for starting the women's intercollegiate athletic program at UNH, coaching volleyball, tennis, basketball and softball in

the early years. Chin eventually surrendered all head coaching responsibilities, except volleyball, when she was promoted to Associate Director of Athletics in 1979.

Among her numerous honors, Chin was named the NACWAA NCAA Division II Administrator of the Year in 2009 after serving as the D-II Management Council Chair. In 2007, the Connecticut Sportswriters' Alliance presented Chin with the Gold Key Award, the state's top sporting honor which recognizes significant contributions to athletics in the State of Connecticut. Chin won the NACDA/Continental Airlines Athletic Director of the Year for the Northeast Region in 1998-99 and was awarded the NACWAA Josten's District I Administrator of the Year Award in 1997. Chin won the National Association for Girls and Women in Sports Presidential Award in March 1997 and was the Connecticut Post Woman of the Year in 1993. Chin has also earned the U.S. Volleyball Association Meritorious Service Award and the YMCA Women in Leadership Award.

As head women's volleyball coach, Chin fashioned a Hall of Fame resume - literally - earning induction into the American Volleyball Coaches Association (AVCA) Hall of Fame in December, 2006. Chin is also a member of the Connecticut Volleyball Hall of Fame (Inducted October, 1998), the Connecticut Women's Basketball Hall of Fame (April, 1999), and the Athletics Hall of Fame at her alma mater, SUNY-Cortland.

In a 19-year career (1975-93) as head coach for the Chargers, she posted a 578-179 record (.764) and was at that time only the fifth Division II coach to win 500 career matches. The Chargers made 10 trips to the NCAA tournament during Chin's reign, reaching the top five four times. Her awards include six AVCA Northeast

Region Coach of the Year distinctions as well as eight New England Collegiate Conference Coach of the Year honors. Chin coached the Chargers to twelve 30-win seasons, including six straight. She is also recognized internationally as a top volleyball clinician.

As an administrator, Chin has served on over 30 national and regional committees. In addition to her most recent position as Chair of the Division II Management Council, her resume includes terms as chairperson for the NCAA Division II Volleyball Committee (1988-92), the NCAA Division II Baseball Committee (1997-2001), the NCAA Northeast Regional Football Committee (1999-2003), and the NACDA John McLendon Minority Scholarship Committee (1999-present). She served four years on the NACWAA Board of Directors (1993-96), and acted as the Volleyball Commissioner for the 1995 Special Olympics World Games held in New Haven.

A graduate of SUNY-Cortland with a Bachelor's of science in physical education, Chin earned her Master's of science degree in physical education from UNC-Greensboro

The UNH equipment room was renovated prior to the fall of 2008, the UNH Department of Athletics equipment room received these state-of-the-art sliding storage systems. The storage system allows for additional storage, while maintaining the same square footage. This project helped improve to athletic experience for every UNH athletic team.

Generous donations to the Charger Athletics Club help make capital improvements like these come to life. You can help keep the Chargers at the forefront of NCAA Division II and the Northeast-10 Conference, and help us attract the best young student-athletes to represent UNH with class and dignity.

DEPARTMENT OF ATHLETICS

Mission Statement

The mission of the department of intercollegiate athletics is to support the mission of the university and to integrate intercollegiate athletics into higher education so that the educational experience of the student-athlete is paramount. The department will provide growth opportunities to achieve in a nationally competitive intercollegiate program that attracts, nurtures and graduates student-athletes who under the guidance of a quality staff, represent the University of New Haven with character and integrity while achieving academic excellence, serving the community and pursuing excellence in their respective sports.

Philosophy

Higher education has lasting importance on an individual's future success. For this reason, the emphasis for the student-athlete experience at the University of New Haven is a comprehensive program of learning and development in a personal setting. As an NCAA Division II program, our approach provides growth opportunities through academic achievement, learning in high-level athletic competition and development of positive societal attitudes in service to community. The balance and integration of these different areas of learning opportunity provide our student-athletes a path to graduation while cultivating a variety of skills and knowledge for life ahead.

The University of New Haven seeks to provide the world with leaders who can make a positive difference in a global society. Student-athletes are afforded unique opportunities for leadership because of the visibility provided through athletics competition. UNH's intercollegiate program provides opportunities for its student-athletes to develop moral virtues, such as courage, self-confidence, and integrity and to learn communication and teamwork skills associated with outstanding leadership. Thus the Department of Athletics helps the University satisfy its primary aspiration, which is to prepare students to lead purposeful and fulfilling lives in a global society through experiential, collaborative, and discovery-based learning.

The Department of Athletics is committed to delivering intercollegiate athletics programs that are consistent with the University's mission and generates the trust and support of its various constituencies. The goal of the department is to field sports teams that compete successfully against other NCAA Division II teams while upholding the academic standards of the University of New Haven. The department is also committed to conducting its programs in strict adherence to the policies, rules and regulations set by the University's administration, Board of Governors, the NCAA and the Northeast-10 Conference.

Through its programs, the department gives its student-athletes of different genders, races, religions, national origins and sexual orientation opportunities to participate in intercollegiate competition. The intercollegiate program will function free of discrimination with a University commitment to the adherence to Title IX and the Office of Civil Rights guidelines. A major goal of the Department of Athletics is to help student-athletes realize the full potential of their athletic abilities while also increasing their intellectual capabilities and providing them a meaningful opportunity to earn a baccalaureate degree. The department will not compromise its commitment to educate and graduate its student-athletes.

Department of Athletics personnel are expected to represent the University in a manner consistent with UNH's principles and values. All personnel are expected to perform their responsibilities with the highest standards of integrity, ethical behavior and sportsmanship at all times. Coaches and staff are expected to treat student-athletes fairly and with respect and to facilitate leadership that helps them mature physically, intellectually, emotionally and socially.

Athletic Highlights

- The UNH women's volleyball team has reached the NCAA Sweet 16 seventeen times since 1983, and advanced to the NCAA Elite Eight 11 times, including an Elite Eight appearance in 2008.
- Baseball has consistently been ranked as one of the winningest Division II programs in NCAA history. Baseball Coach Emeritus Frank "Porky" Vieira retired after the 2006 season as Division II's all-time winningest coach by percentage, and logged 1,127 career victories. The team has appeared in 17 College World Series and made 31 Regional appearances.
- Baseball has also produced nine major league players, including former Cy Young winner Steve Bedrosian of the Philadelphia Phillies.
- Women's Basketball won the NCAA Division II National Championship in 1987.
- The football program appeared in four NCAA championship playoffs, earning runner-up status in 1997. That title-game appearance made UNH the only football team in the State of Connecticut to ever compete for a national title and the smallest school (in terms of enrollment) to compete for an NCAA Championship.
- Tailback Roger Graham won the 1993 Harlon Hill Trophy as the top Division II Football Player in the nation.
- Men's Soccer reached the NCAA finals in 1976 and finished third in 1977.
