THE COACHES

JEN FALLON
HEAD COACH
 SEVENTH SEASON
 SACRED HEART '96

Jen Fallon, the 2008 Inside Lacrosse Division II National Coach of the Year and reigning NE-10 Coach of the Year, enters her seventh season as the head coach of New Haven women's lacrosse in the spring of 2013. The longest-tenured coach in program history, Fallon is the Chargers' all-time leader with 67 career wins and a .632 winning percentage (67-39).

In 2012, Fallon guided the Chargers to a 13-5 record and a national ranking as high as No. 6 from the IWLCA, while earning conference Coach of the Year recognition. The season included a victory over No. 3 and eventual national champion C.W. Post as one of New Haven's four triumphs over nationally-ranked opponents. Ashley Ferrandiz, Aubrey Duncan and Alexis Gabbe all earned IWLCA All-America status and headed a list of six Chargers to earn All-Northeast-10 laurels. Fallon was recognized by her peers as the conference's Coach of the Year for the second time in four seasons as a member of the NE-10.

Fallon previously earned NE-10 Coach of the Year laurels in 2009 – New Haven's first season as a member of the prestigious Division II conference. In that campaign, the Chargers won the Northeast-10 Conference Championship to garner the program's first-ever NCAA Championship berth. Fallon's 2009 club finished at 16-4 with a 9-1 NE-10 record – setting the program record for wins and conference wins in a season and starting the streak of four consecutive trips to the Northeast-10 Championship that remains active through 2012. She guided New Haven to seven wins in 2010 and notched a winning season in 2011 with a 10-8 tally.

The 2008 campaign saw Fallon named the Inside Lacrosse Division II National Coach of the Year in her second season at the helm after leading the Chargers to the program's first-ever winning campaign with a then-program-record 14 victories and just three losses. Fallon, who was also named the East Coast Conference Coach of the Year, mentored Brigid Brady '09 to the program's first Division II All-America honor following her third-consecutive 50-goal season.

Fallon took over the Chargers' program in 2007 and, in her first spring at New Haven, matched the program record with seven victories.

Before coming to New Haven, Fallon served as the head girls' lacrosse coach and physical education teacher at Greens Farms Academy in Westport, Conn., with additional duties in the areas of policy & curriculum and athletic game management.

Fallon started her coaching career at her alma mater in 1997 as Sacred Heart University's from 1997-2000. Fallon also served as the school's assistant compliance coordinator for two years while coaching.

As a collegiate lacrosse player, Fallon was a three-time Division II All-America selection (1994-96) and is Sacred Heart's all-time scoring leader with 264 career points. She scored 212 career goals with 52 assists and, in her All-America seasons, posted three of the school's top-four single-season point totals. She is 20th on the Division II national career scoring list, and is ninth all-time in goals scored.

A native of Milford, Conn., Fallon earned her bachelor's degree in psychology from Sacred Heart in 1996. She is a member of the U.S. Lacrosse Association and currently resides in Fairfield, Conn.

2013 PREVIEW

The University of New Haven women's team returns 14 student-athletes who saw action in 2012 with hopes of making its fifth straight postseason appearance and second NCAA postseason trip. New Haven posted a 13-5 record last season and advanced to a program-record fourth straight Northeast-10 Conference Championship. The Chargers went 8-4 in conference play to earn the fifth seed and fell at nationally-ranked No. 9 Bentley in the quarterfinals. UNH concluded the season ranked No. 8 in the IWLCA Division II poll after being ranked as high as No. 6 during the regular season.

Attack

Despite losing two of the program's top attackers to graduation, experience will be no stranger to the UNH front line. Senior Natalie Lieberman, the top returning scorer, will anchor the attack. In 2012, she scored 31 goals, dished out 11 assists and played in all 18 games. She will also take a majority of the draws this season after grabbing 28 draw controls from the center circle last year.

The junior tandem of Nicole McKee and Marissa Fisher will also be keys to the Chargers' offense in 2013. The two combined for 42 goals and six assists last year. McKee started all 18 games and will be looked to for more scoring this season. Although she may not show up at the top of the stat sheet, Fisher brings two years of solid experience and will likely be a leader on the offensive end.

Sophomore Ashley Travis, who saw action in nine games last season, will see an increased role after netting two goals during her rookie season.

A trio of newcomers is expected to make an immediate impact for the attack - Maya Szymanski, Courtney Ackland and Devon Previte. A Bay State All-Star and member of a State Champion-

ship Team, Szymanski has transitioned well to the speed of the college game. Ackland, from Perth, Western Australia, brings extensive experience at the international level as a member of the Aussie U19 lacrosse team and possesses great vision and stick abilities. A Toms River, N.J. native, Previte was named to the Ocean County All-Star team as a senior and finished her career with 80 goals and 38 assists.

Midfield

Following the loss of the program's all-time leading scorer, Ashley Ferrandiz, the Chargers' midfield will look to a skilled senior and talented sophomore to transition the ball from defense to offense. Kristina Curry, a co-captain, started all 18 games in 2012 and scored 35 points (32g, 3a). She enters her senior campaign after playing in 52 career games and scoring 83 points. Sophomore Kathryn Campbell will play a large part in both scoring and defending as well. As a rookie, she started all 18 games and was fourth on the team with 42 points (30g, 12a). Curry and Campbell combined for 52 groundballs, 48 draw controls and 26 caused turnovers last season.

Adding to the midfield will be a pair of newcomers, Alicia Busco and Corinne Fisher. A two-time All-League honoree, Busco attended Agawam High School in Mass. Sister of junior Marissa, Corinne Fisher scored 121 goals as a Second Team All-Shore selection at Jackson Memorial High School in N.J.

Defense

Possibly the most experience portion of the field for the Chargers is their back line. New Haven returns seven defenders who saw action in 2012, including two of the team's senior co-captains - Rachel Resnick and Kerri Foley. A three-year starter from Ocean, N.J., Resnick will anchor the defense. She started 17 games last season and played in all 52 games over

2013 PREVIEW

the last three seasons. She recorded 31 groundballs and 14 caused turnovers as a junior. Foley, who has started every game for the last two seasons, added 21 groundballs and 17 caused turnovers last year.

Junior Melissa Gaetano has returned to full strength and will see significant time this season after seeing limited time last year due to an injury. Sophomore Brittany Ast's role is expected to expand in 2013 after playing in 14 games as a freshman.

Four other returners will also be looked to for support on defense. Junior Rachael Whitman appeared in nine games last season, while sophomores Samantha Clyne and Daina Catanese combined for 20 appearances last year. Catanese made the move from the front line to the back line and will add quickness and athleticism to the position.

Freshmen Maria Troisi, Sky Mahoney-Kendra and Christina Luca will provide depth at the defensive end. Troisi was a two-sport athlete at Commack High School in East Northport, N.Y., while Mahoney-Kendra was a four-year starter and two-year captain at Saint John Vianney in N.J. Luca was named a scholar-athlete and was a three-sport athlete at Plainedge in Farmingdale, N.Y.

Goalkeeper

The program's all-time leader between the pipes, Maureen Spellman, also graduated in the offseason. The absence in net will be the first in four years for the Chargers and three student-athletes are expected to battle for the starting spot. Sophomore Sharon Strain is joined by freshmen Alyssa Gianotti and Marissa McDermott.

Strain saw limited time in three games last season, while Gianotti and McDermott were award winners during their scholastic careers. Gianotti was a First Team All-Baltimore

Metro winner as well and a county champion in high school. McDermott was an All-Star at Wilbraham & Monson Academy in Longmeadow, Mass.

Schedule

The season begins with a pair of home matchups on Thursday, March 7 at Kayo Field against Molloy and March 9 against Dowling. On March 13, the Chargers will travel to LIU Post to take on the defending Division II national champions. Last season, the Chargers defeated the then-No. 3 Pioneers, 18-17, in overtime at Kayo Field - one of four wins for UNH over a nationally-ranked foe in 2012.

The Chargers will then head down to Arnold, Md. to play two neutral-site matches against Pfeiffer and Queens (N.C.) before coming back north to open up Northeast-10 play. The squad's NE-10 slate will take place on March 23 at Stonehill.

The Chargers will then return home for three straight conference matchups against Southern Connecticut State (March 26), Bentley (March 30) and one of last year's national semifinalists, Le Moyne (April 3).

The team heads out on the road for five of its next six matches starting on April 6 at Saint Anselm and continuing at 2012 national quarterfinalist Adelphi on April 9. After a home match against Merrimack on April 13, New Haven will play three road contests at Franklin Pierce (April 15), Assumption (April 17) and Southern New Hampshire (April 20). The regular season concludes with home outings against American International (April 23) and Saint Michael's (April 27).

The Northeast-10 Conference Championship, which features the top six teams in the conference, is set to run from May 1-5 and is followed by the Division II NCAA Championship from May 11-19.

NORTHEAST-10 CONFERENCE

The Northeast-10 Conference is an NCAA Division II conference that was established in 1979. The NE-10 consists of 16 member institutions that are located throughout the Northeast including Connecticut, Massachusetts, New Hampshire, New York and Vermont.

The institutions that make up the Northeast-10 are Adelphi University (Garden City, N.Y.), American International College (Springfield, Mass.), Assumption College (Worcester, Mass.), Bentley University (Waltham, Mass.), Franklin Pierce University (Rindge, N.H.), Le Moyne College (Syracuse, N.Y.), University of Massachusetts Lowell (Lowell, Mass.), Merrimack College (North Andover, Mass.), University of New Haven (West Haven, Conn.), Pace University (Pleasantville, N.Y.), Saint Anselm College (Manchester, N.H.), Saint Michael's College (Colchester, Vt.), College of Saint Rose (Albany, N.Y.), Southern Connecticut State University (New Haven, Conn.), Southern New Hampshire University (Manchester, N.H.), and Stonehill College (Easton, Mass.).

The 16 member institutions are spread geographically from Syracuse, New York to Boston, Massachusetts and from Burlington, Vermont to Long Island, New York. Many of the members are located in or around the metropolitan areas of Albany, Boston, New Haven, Worcester, and New York.

The Conference most recently welcomed the University of New Haven in 2008 and Adelphi University in 2009, adding to the powerful union of strong academic and athletic colleges and universities.

The Northeast-10 has evolved into a membership committed to competitive athletics programs that emphasize the education on and off the field of its more than 5,500 student athletes.

Counted among the many accomplishments of our institutions are NCAA Division II National Championships in women's basketball, field hockey, men's lacrosse, women's lacrosse,

men's soccer, women's track & field, and men's and women's swimming & diving.

This past year, 47 teams representing the Northeast-10 saw their name on NCAA selection days as Division II national championship fields were announced. The 47 teams represented fourteen different institutions.

During the 2010-2011 academic year, two Northeast-10 teams claimed national titles, as UMass Lowell won the field hockey championship and Adelphi won the women's lacrosse national crown. Individually, New Haven's Shannon Gagne won five national titles at the indoor and outdoor track and field championship meets, Stonehill's Corey Thomas was the national champion in the high jump, and Southern Connecticut's Amanda Thomas took home the gold medal in the 200-yard individual medley at the NCAA Swimming and Diving Championships.

The Saint Rose women's soccer team also claimed its first national championship in 2011.

From the field of play to the class room, the Northeast-10 honored a number of student-athletes for their academic accomplishments. The conference honored close to 200 student-athletes throughout the year that excelled at a high level on the field and in the classroom as members of the academic all conference teams. Additionally, 2,917 student-athletes representing each of the sixteen schools earned a 3.0 GPA or higher and were named to the Commissioner's Honor Roll last year.

Today's Northeast-10 Conference remains focused on complementing the academic integrity and missions of the member institutions with a commitment to a broad-based championship program, as evidenced by the 23 sports the Conference offers in championship play, the most of any Division II conference.

UNIVERSITY ADMINISTRATION

Steven H. Kaplan, Ph.D., University President

Since becoming president of the University of New Haven in 2004, Steven H. Kaplan, Ph.D. has led the University of New Haven through a period of remarkable growth and development. In the past five years alone, enrollment has grown by 34 percent to more than 6,400 undergraduate and graduate students, who

hail from 35 states and some 45 countries. Full-time undergraduate enrollment has grown by 59 percent and applications have increased by 176 percent. During this time, the University has completed over \$100 million in construction projects and has launched 15 new academic programs.

UNH now ranks among the top comprehensive universities in the North and boasts nationally ranked programs in a number of majors across business, criminal justice, engineering, forensic science, and the liberal arts and sciences. In recognition of his contributions to transforming the University, Dr. Kaplan was named "Businessman of the Year" by Business New Haven magazine in 2008.

President Kaplan also was awarded the 2011 William M. Burke Presidential Award for Experiential Education by the National Society for Experiential Education. The award recognizes President Kaplan's efforts to make UNH a national leader in experiential education, requiring every undergraduate student to complete an internship, an academic service learning experience, international study or a faculty-mentored research

project before graduation.

Previously, Dr. Kaplan was chancellor and professor of English at the University of Virginia's College at Wise, the only four-year branch campus of the University of Virginia and one of the nation's best public colleges, according to U. S. News & World Report.

Dr. Kaplan began his teaching career in 1982 as an Instructor of English at the University of Maryland, European Division. From 1985-1989, he served as Visiting Lecturer in American Studies at Eberhard-Karls Universität, Tübingen, Germany – one of the oldest and most highly regarded universities in Europe. After completing his doctoral studies at Eberhard-Karls Universität, he returned to the U.S. to teach English at the University of Southern Colorado. Within three years, he was made department chair, serving in that capacity for two years before becoming Director of the Center for International Studies.

Dr. Kaplan also served as dean of Arts and Humanities at SUNY College at Buffalo and as Dean of the College of Liberal Arts and Sciences at Butler University.

In addition to earning his Ph.D. in Comparative Literature at Eberhard-Karls Universität, Dr. Kaplan holds a Master of Arts degree (with a concentration in philosophy, German and English) from Eberhard-Karls Universität and a Bachelor of Arts degree from the University of California at Los Angeles.

Dr. Kaplan is the author of a book on American translations of the poetry of Rainer Maria Rilke; a book on Tim O'Brien's fiction, published by the University of

South Carolina Press; and an anthology of international war stories, published by the University Press of Colorado. He also has written a number of scholarly essays.

Dr. Kaplan and his wife, Anemone Schweizer-Kaplan, are both ardent opera buffs and love to ballroom dance, hike and downhill ski. They share a great love for the visual and performing arts and have traveled to more than 30 countries during their 35 years together, including Tanzania, where they hiked up Mt. Kilimanjaro. They have a son and three daughters.

Dr. Kaplan grew up in Chicago, the son of a shoe store owner and an actress-comedienne. He said his stepfather, Irving Glovin, taught him to love ideas and appreciate the contributions we all need to make to good causes. Irv Glovin was a good friend of Oskar Schindler, was instrumental in getting the story out in book and film form (he was associate producer of the film), and is President of the Oskar Schindler Humanitarian Foundation. Dr. Kaplan also serves on the board of the Foundation.

Anemone Schweizer-Kaplan grew up in Southwest Germany. She holds the equivalent of an American M.A. in Secondary Education and taught at a German high school. She is a ceramics artist and taught German and pottery as an adjunct faculty member in Colorado and Virginia.

Deborah Chin, Associate Vice President, Director of Athletics and Recreation

Deborah Chin became the school's fourth Director of Athletics in 1993, and currently oversees a department which sponsors 16 NCAA Division II varsity sports. She was elected to the prestigious position of Chair for the NCAA's Division II Management Council for 2008 and was promoted to Associate Vice President, Director of

Athletics and Recreation in 2010.

UNH Athletics has enjoyed a high level of success across the board during Chin's tenure as Director of Athletics, advancing to NCAA tournament over 50 times in 17-plus years. UNH has recently made a number of capital improvements to athletic and recreational facilities, including the construction of the multi-million dollar David A. Beckerman Student Recreation Center, a \$1.3 million synthetic turf renovation of Kayo Field (soccer and lacrosse), as well as installation of state-of-the-art blue and gold synthetic turf at the new Ralph F. DellaCamera Stadium. In 2007, Chin spearheaded efforts to re-instate football as a varsity program and find UNH a new athletics conference that best fits the institution's long-term academic and athletic aspirations. Both goals were accomplished when UNH announced on November 13, 2007 that it had been accepted as a full member of the prestigious Northeast-10 Conference, effective the 2008-09 academic year. After a five-year hiatus, the Charger football team returned to the gridiron in 2009, and have since won back-to-back conference championships and advanced to the NCAA Quarterfinals.

A member of the University of New Haven staff since 1975, Chin began her UNH career as Coordinator of Women's Athletics. She was responsible for starting the women's intercollegiate athletic program at UNH, coaching volleyball, tennis, basketball and softball in the early years. Chin eventually surrendered all head coaching responsibilities, except volleyball, when she was promoted to Associate Director of Athletics in 1979.

Among her numerous honors, Chin was named the NACWAA NCAA Division II Administrator of the Year in 2009 after serving as the D-II Management Council Chair. In 2007, the Connecticut Sportswriters' Alliance presented Chin with the Gold Key Award, the state's top sporting honor which recognizes significant contributions to athletics in the State of Connecticut. Chin won the NACDA/Continental Airlines Athletic Director of the Year for the Northeast Region in 1998-99 and was awarded the NACWAA Josten's District I Administrator of the Year Award in 1997. Chin won the National Association for Girls and Women in Sports Presidential Award in March 1997 and was the Connecticut Post Woman of the Year in 1993. Chin has also earned the U.S. Volleyball Association Meritorious Service Award and the YMCA Women in Leadership Award. In 2010, she was honored as an Elm City Legend, an event which recognizes the greater New Haven region's best in sports and community dedication.

As head women's volleyball coach, Chin fashioned a Hall of Fame resume - literally - earning induction into the American Volleyball Coaches Association (AVCA) Hall of Fame in December, 2006. Chin is also a member of the Connecticut Volleyball Hall of Fame (Inducted

October, 1998), the Connecticut Women's Basketball Hall of Fame (April, 1999), and the Athletics Hall of Fame at her alma mater, SUNY-Cortland.

In a 19-year career (1975-93) as head coach for the Chargers, she posted a 578-179 record (.764) and was at that time only the fifth Division II coach to win 500 career matches. The Chargers made 10 trips to the NCAA tournament during Chin's reign, reaching the top five four times. Her awards include six AVCA Northeast Region Coach of the Year distinctions as well as eight New England Collegiate Conference Coach of the Year honors. Chin coached the Chargers to twelve 30-win seasons, including six straight. She is also recognized internationally as a top volleyball clinician.

As an administrator, Chin has served on over 30 national and regional committees. In addition to her most recent position as Chair of the Division II Management Council, her resume includes terms as chairperson for the NCAA Division II Volleyball Committee (1988-92), the NCAA Division II Baseball Committee (1997-2001), the NCAA Northeast Regional Football Committee (1999-2003), and the NACDA John McLendon Minority Scholarship Committee (1999-present). She served four years on the NACWAA Board of Directors (1993-96), and acted as the Volleyball Commissioner for the 1995 Special Olympics World Games held in New Haven.

A graduate of SUNY-Cortland with a Bachelor's of Science in Physical Education, Chin earned her Master's of Science degree in Physical Education from UNC-Greensboro.

UNIVERSITY OF NEW HAVEN DEPARTMENT OF ATHLETICS

DEPARTMENT OF ATHLETICS MISSION STATEMENT

The mission of the department of intercollegiate athletics is to support the mission of the university and to integrate intercollegiate athletics into higher education so that the educational experience of the student-athlete is paramount. The department will provide growth opportunities to achieve in a nationally competitive intercollegiate program that attracts, nurtures and graduates student-athletes who under the guidance of a quality staff, represent the University of New Haven with character and integrity while achieving academic excellence, serving the community and pursuing excellence in their respective sports.

DEPARTMENT OF ATHLETICS PHILOSOPHY

Higher education has lasting importance on an individual's future success. For this reason, the emphasis for the student-athlete experience at the University of New Haven is a comprehensive program of learning and development in a personal setting. As an NCAA Division II program, our approach provides growth opportunities through academic achievement, learning in high-level athletic competition and development of positive societal attitudes in service to community. The balance and integration of these different areas of learning opportunity provide our student-athletes a path to graduation while cultivating a variety of skills and knowledge for life ahead.

The University of New Haven seeks to provide the world with leaders who can make a positive difference in a global society. Student-athletes are afforded unique opportunities for leadership because of the visibility provided through athletics competition. UNH's intercollegiate program provides opportunities for its student-athletes to develop moral virtues, such as courage, self-confidence, and integrity and to learn communication and teamwork skills associated with outstanding leadership. Thus the Department of Athletics helps the University satisfy its primary aspiration, which is to prepare students to lead purposeful and fulfilling lives in a global society through experiential, collaborative, and discovery-based learning.

The Department of Athletics is committed to delivering intercollegiate athletics programs that are consistent with the University's mission and generates the trust and support of its various constituencies. The goal of the department is to field sports teams that compete successfully against other NCAA Division II teams while upholding the academic standards of the University of New Haven. The department is also committed to conducting its programs in strict adherence to the policies, rules and regulations set by the University's administration, Board of Governors, the NCAA and the Northeast-10 Conference.

Through its programs, the department gives its student-athletes of different genders, races, religions, national origins and sexual orientation opportunities to participate in intercollegiate competition. The intercollegiate program will function free of discrimination with a University commitment to the adherence to Title IX and the Office of Civil Rights guidelines. A major goal of the Department of Athletics is to help student-athletes realize the full potential of their athletic abilities while also increasing their intellectual capabilities and providing them a meaningful opportunity to earn a baccalaureate degree. The department will not compromise its commitment to educate and graduate its student-athletes.

Department of Athletics personnel are expected to represent the University in a manner consistent with UNH's principles and values. All personnel are expected to perform their responsibilities with the highest standards of integrity, ethical behavior and sportsmanship at all times. Coaches and staff are expected to treat student-athletes fairly and with respect and to facilitate leadership that helps them mature physically, intellectually, emotionally and socially.

DEPARTMENT OF ATHLETICS HIGHLIGHTS

- The UNH women's volleyball team has reached the NCAA Sweet 16 eighteen times since 1983, and advanced to the NCAA Elite Eight 11 times, including an Elite Eight appearance in 2008.
- Baseball has consistently been ranked as one of the winningest Division II programs in NCAA history. Baseball Coach Emeritus Frank "Porky" Vieira retired after the 2006 season as Division II's all-time winningest coach by percentage, and logged 1,127 career victories. The team has appeared in 17 College World Series and made 32 Regional appearances. Baseball has also produced nine major league players, including former Cy Young winner Steve Bedrosian of the Philadelphia Phillies.
- Women's Basketball won the NCAA Division II National Championship in 1987.
- The football program has appeared in five NCAA playoffs, earning runner-up status in 1997. That title-game appearance made UNH the only football team in the State of Connecticut to ever compete for a national title and the smallest school (in terms of enrollment) to compete for an NCAA Championship.
- Women's track and field has produced arguably the most successful individual student-athlete in Charger history. Shannon Gagne won five national championships during the 2010-11 academic year and helped bring the program a fourth place finish at the 2011 National Championship meet.
- Tailback Roger Graham won the 1993 Harlon Hill Trophy as the top Division II Football Player in the nation.
