QUICK FACTS

Founded: 1920

Campuses: The main campus is located in West Haven, Connecticut, 82 acres on a hilltop overlooking Long Island Sound and the culturally rich city of New Haven. A southeastern branch is located in New London, Connecticut. A northern branch is located in Orange, Connecticut and a study abroad campus in Tuscany, Italy.

Enrollment: 4,864 undergraduate fulltime, 6,555 total enrollment

Student Ratio: 49.7% Female, 50.3% Male

FACULTY

Over 81% hold Ph.D.s or the highest degree in their fields. Many have backgrounds as working professionals and are consultants to Connecticut businesses, bringing hands-on experience to the classroom. UNH has a student-to-faculty ratio of 16:1.

ACADEMIC PROGRAMS

UNH offers 80 undergraduate and graduate degree offerings in the arts and sciences, business, criminal justice, engineering and forensic sciences.

SPECIAL ACADEMIC PROGRAMS

Honors Program for highly-motivated students with high levels of academic achievement. Freshman-year program for all new freshmen to help them make the transition into university life. Center for Learning Resources offers free tutoring for students seeking extra help with their studies.

INTERSHIPS

Our location in New Haven and proximity to New York City and Hartford allow us to offer internships with a wide variety of businesses, government, and non-profit agencies, including ESPN, MTV, Disney, FBI Crime Labs, U.S. Attorney's Offices, Unilever, and United Technologies Corporation, among others.

RESIDENTIAL LIFE

Making you feel at home is a priority at UNH. Our on-campus housing is available in 11 residence halls. Residential Life staff members live in each hall and help promote an atmosphere conducive to study and social interaction among students. Residence Hall Councils, composed of students elected by their peers, plan social and recreational activities and serve as representatives for students living in each hall. Room accommodations range from traditional residence halls (equipped with a fitness room and campus convenience store) to multi-bedroom, apartment-style residences.

The David A. Beckerman Recreation Center was made possible by a generous donation from alumnus David A. Beckerman. The Center includes basketball courts; a

multi-sport court for rollerblading, roller hockey, volleyball and indoor soccer; a fitness center with aerobic equipment, weights and televisions; a multi-purpose room for yoga, step aerobics, Pilates and other activities; an elevated running track; and a lounge area for relaxation.

For more information visit us online at: www.newhaven.edu or call 800-DIAL-UNH (800-342-5864) to speak with an admissions representative.

THE COACHES

JEN FALLON HEAD COACH TENTH SEASON SACRED HEART '96

Jen Fallon, the 2008 Inside Lacrosse Division II National Coach of the Year, enters her ninth season as the head coach of New Haven women's lacrosse in the spring of 2016. The longest-tenured coach in program history, Fallon is the Chargers' all-time leader with 110 career wins and a .671 winning percentage (110-54). Entering the season, she ranks tied for seventh among active Division II coaches by wins and is eighth in winning percentage.

In 2015, the program continued to excel, qualifying for its second consecutive NCAA Tournament appearance as Fallon once again garnered Northeast-10 Conference Coach of the Year accolades. The team won its first ever game against Adelphi, snapping a 36-game winning streak for the top-ranked Panthers. Fallon also mentored the IWLCA Division II National Defensive Player of the Year, Brittany Ast and saw Kathryn Campbell become the second player in school history to reach the 300 point mark in her career.

Behind Northeast-10 Conference Coach of the Year honors for Fallon, the 2014 campaign tied a program-record for wins (16) and set a new record with an 11-1 NE-10 slate. The Chargers played the ninth toughest schedule in Division II and the second toughest in the NE-10 with eight games against teams ranked in the top 15. New Haven earned its highest-ever national ranking at No. 4 - a position it held for five-straight weeks starting on April 7. UNH finished the year with its highest ever national ranking at No. 6. Junior midfielder Kathryn Campbell became the program's third All-America First Team selection and was New Haven's first NE-10 Midfielder of the Year honoree. Brittany Ast and Nicole McKee were All-America Second Team selections as well - making 2014 one of the most decorated years in Charger history. The three joined seven others who received postseason awards from the conference. The Chargers' postseason run began with their second appearance in the Northeast-10 Conference Championship Game and finished in their second NCAA Division II quarterfinal appearance.

Playing one of the toughest schedules in the nation in 2013, the Chargers finished with a record of 12-7 and climbed as high as No. 8 in the national rankings. Rachel Resnick and Natalie Lieberman were both named Second Team All-America by the IWLCA, with Resnick garnering Northeast-10 Defensive Player of the Year honors. In total, five New Haven student-athletes claimed year-end accolades. All seven of New Haven's losses came against nationally-ranked competition, and the Chargers also won two contests against ranked opponents en route to an NE-10 postseason win and trip to the conference semifinals.

In 2012, Fallon guided the Chargers to a 13-5 record and a national ranking as high as No. 6 from the IWLCA. The season included a victory over No. 3 and eventual national champion C.W. Post as one of New Haven's four triumphs over nationally-ranked opponents.

Ashley Ferrandiz, Aubrey Duncan and Alexis Gabbe all earned IWLCA All-America status and headed a list of six Chargers to earn All-Northeast-10 laurels. Fallon was recognized by her peers as the conference's Coach of the Year for the second time in four seasons as a member of the NE-10.

Fallon previously earned NE-10 Coach of the Year laurels in 2009 - New Haven's first season as a member of the prestigious Division II conference. In that campaign, the Chargers won the Northeast-10 Conference Championship to garner the program's first-ever NCAA Championship berth. Fallon's 2009 club finished at 16-4 with a 9-1 NE-10 record - setting the program record for wins and conference wins in a season and starting the streak of four consecutive trips to the Northeast-10 Championship that remains active through 2012. She guided New Haven to seven wins in 2010 and notched a winning season in 2011 with a 10-8 tally.

The 2008 campaign saw Fallon named the Inside Lacrosse Division II National Coach of the Year in her second season at the helm after leading the Chargers to the program's first-ever winning campaign with a then-program-record 14 victories and just three losses. Fallon, who was also named the East Coast Conference Coach of the Year, mentored Brigid Brady '09 to the program's first Division II All-America honor following her third-consecutive 50-goal season.

Fallon took over the Chargers' program in 2007 and, in her first spring at New Haven, matched the program record with seven victories.

Before coming to New Haven, Fallon served as the head girls' lacrosse coach and physical education teacher at Greens Farms Academy in Westport, Conn., with additional duties in the areas of policy & curriculum and athletic game management.

Fallon started her coaching career at her alma mater in 1997 as Sacred Heart University's head women's soccer coach from 1997-2000. Fallon also served as the school's assistant compliance coordinator for two years while coaching.

As a collegiate lacrosse player, Fallon was a three-time Division II All-America selection (1994-96) and is Sacred Heart's all-time scoring leader with 264 career points. She scored 212 career goals with 52 assists and, in her All-America seasons, posted three of the school's top-four single-season point totals. She is 20th on the Division II national career scoring list, and is ninth all-time in goals scored.

A native of Milford, Conn., Fallon earned her bachelor's degree in psychology from Sacred Heart in 1996. She is a member of the U.S. Lacrosse Association, the CGSCA and NSCAA, and is CPR and AED certified. She currently resides in Fairfield, Conn.

THE COACHES

ARIANA PARKER ASSISTANT COACH SECOND SEASON ALBANY '14

Ariana Parker enters her second season with the New Haven women's lacrosse program in 2016. A highly-decorated student-athlete at the University at Albany, Parker brings a wealth of lacrosse knowledge to the Chargers' coaching staff.

A four-year starter for the Great Danes, Parker concluded her career at Albany as the all-time leader in games played and starts. She also ranks third all-time in points, goals and caused turnovers, while ranking fifth in ground balls. She was named to the America East All-Conference First Team as well as the IWLCA All-Northeast Region First Team twice during

her collegiate career.

In 2011, the Port Ewen, N.Y. native was invited to tryout for the U.S. National Team after earning National Rookie of the Week honors by womenslax.com.

Parker is currently pursuing a Master's Degree in Psychology at New Haven.

ASHLEY FERRANDIZ ASSISTANT COACH FOURTH SEASON NEW HAVEN '12

After completing one of the most storied careers of any Charger women's lacrosse player, Ashley Ferrandiz joined the coaching staff prior to the 2013 season.

The 2012 UNH Female Athlete of the Year, Ferrandiz anchored the Chargers' midfield for four seasons. Her career accolades are vast, including an All-America First Team selection and numerous All-Region honorees.

The program's most prolific scorer, Ferrandiz's name can be found at the top of nearly every record. She holds the career points (314) and assists (128) records, while ranking second in goals (186). She holds two of the top three single-season point records and two of the top three single-season assist

records. On April 14, 2012 she scored an incredible 10 total points against Southern New Hampshire, becoming the first Charger to ever accomplish such a feat.

Off the field, Ferrandiz served as the President of New Haven's Student-Athlete Advisory Committee for two seasons and was a Presidential Public Service Fellow during the summer of 2010. In addition, she's served as a teacher's assistant at the West Hampton Beach Learning Center and currently interns for the East Haven Public School District.

Ferrandiz earned two Bachelor's degrees, one in Psychology and one in Mathematics in May of 2012 and is currently pursuing her Master's degree in Education at UNH.

2016 PREVIEW

Coming off its second consecutive NCAA Tournament appearance, the University of New Haven women's lacrosse team returns 15 student-athletes who saw action in 2015 with hopes of making its eighth straight postseason appearance and the fourth NCAA postseason trip in program history. New Haven posted a 15-4 record last season and made the program's third NCAA quarterfinal appearance while tying its highest-ever national ranking at No. 4.

The Chargers went 11-2 in conference play to earn the third seed in the conference championship. UNH defeated four nationally-ranked opponents during the season, including No. 1 Adelphi, snapping the Panthers 36-game winning streak. The Chargers earned their third at-large bid to the NCAA postseason and finished the season ranked No. 5 in the IWLCA Division II Coaches' Poll, the program's highest ranking in the final poll.

ATTACK

Junior Caitlin O'Brien will lead the attack for the Chargers. She blossomed last season, starting all 19 games, delivering 52 points on 33 goals and 19 assists. She will be asked to carry a large portion of the scoring load for New Haven.

Senior Maya Syzmanski should expect to see a boost in her offensive output this season after scoring 26 goals a year ago. She is described by head coach Jen Fallon as "crafty and quick, a slippery attacker and difficult to defend."

Sophomore Jessica Mazliah will be asked to increase her role for New Haven in the attacking zone after appearing in 11 games a year ago. She scored four goals including three against cross-town rival Southern Connecticut State and has been described as "a very creative attacker with an incredible stick, great vision and the ability to score," by Coach Fallon.

The Blue and Gold also look to get contributions on offense from

freshman Samantha Galler who was an All-Atlantic Coast League performer as a junior and senior at Marshfield High School. She is a smart player and decision maker who does not turn the ball over and has the ability to find the back of the net. Fellow freshman Kayla Pjatak will be counted on to provide depth on the front line.

MIDFIELD

Senior Corinne Fisher and junior Nicole Belanger look to power the Chargers through the middle. Fisher was an IWLCA Second Team and Northeast-10 Conference Second Team member last season and was a key contributor, netting 32 goals while dishing 11 assists. She also finished second on the team with 60 draw controls.

Belanger garnered IWLCA Third Team All-North Region accolades to go along with Second Team NE-10 honors. She scored 31 goals and handed out four assists while also scooping up 25 ground balls. She will be counted on to help provide scoring punch for a balanced New Haven offense.

Seniors Devon Previte and Alicia Busco are expected to play significant roles this season giving depth to a talented offensive group. Both could see some time in the midfield with Previte adding to the attack as well.

New Haven also has high hopes for freshman Mackenzie Reh who will provide depth in the midfield. An athletic and talented player, she can help out on both sides of the ball.

DEFENSE

Graduating three senior starters including the IWLCA Division II Defensive Player of the Year leaves a tall task for New Haven on the back line. The defense will be anchored by juniors Hannah Johnson and Meredith Michel. Johnson was an IWLCA Third Team All-North Region selection a year ago, appearing in all 19 games, causing 17 turnovers and collecting 21 ground balls. Michael started all 19

2016 PREVIEW

games last season with 12 caused turnovers and 18 ground balls.

The Chargers will look for an increased contribution from sophomore Courtney Duffy. She is a smart defender who will step out of a reserve role that she played last year after gaining some valuable experience in 2015.

Seniors Maria Troisi and Christina Luca along with junior Alicia Mortali will all see time on the defensive side of the ball, bringing both maturity and experience. New Haven will also look for depth from freshman Marie Cox and Madison Unterstein.

GOALKEEPER

Much like the previous three seasons, New Haven's goalkeeper position has been tightly contested between seniors Alyssa Gianotti

and Marissa McDermott. The two will likely split time once again this season with the possibility of changing depending on the opponents.

Gianotti started 11 games a year ago and totaled over 658 minutes between the pipes. She went 9-3, making 70 saves and posted a 7.93 goals against average. The Monkton, Md. native was also named to the IWLCA Academic Honor Roll.

McDermott started eight games, posting a 6-1 record with a 7.96 goals against average. She made 42 saves including a season-high six stops each against Saint Anselm, Southern New Hampshire and Pace.

Freshman Alexa Carbone will serve as the backup to the two seniors, gaining valuable experience under their tutelage.

UNIVERSITY ADMINISTRATION

**Steven H. Kaplan, Ph.D., University President**

Since becoming president of the University of New Haven in 2004, Steven H. Kaplan, Ph.D. has led the University of New Haven through a period of remarkable growth and development. In the past seven years alone, enrollment has grown by 42 percent to more than 6,400 undergraduate and graduate students, who

hail from 35 states and some 45 countries. Full-time undergraduate enrollment has grown by 86 percent and applications have increased by 176 percent. During this time, the University has completed over \$110 million in construction projects and has launched 17 new academic programs.

UNH now ranks among the top comprehensive universities in the North and boasts nationally ranked programs in a number of majors across business, criminal justice, engineering, forensic science, and the liberal arts and sciences. In recognition of his contributions to transforming the University, Dr. Kaplan was named "Businessman of the Year" by Business New Haven magazine in 2008.

President Kaplan also was awarded the 2011 William M. Burke Presidential Award for Experiential Education by the National Society for Experiential Education. The award recognizes President Kaplan's efforts to make UNH a national leader in experiential education, requiring every undergraduate student to complete an internship, an academic service learning experience, international study or a faculty-mentored research

project before graduation.

Previously, Dr. Kaplan was chancellor and professor of English at the University of Virginia's College at Wise, the only four-year branch campus of the University of Virginia and one of the nation's best public colleges, according to U. S. News & World Report.

Dr. Kaplan began his teaching career in 1982 as an Instructor of English at the University of Maryland, European Division. From 1985-1989, he served as Visiting Lecturer in American Studies at Eberhard-Karls Universität, Tübingen, Germany – one of the oldest and most highly regarded universities in Europe. After completing his doctoral studies at Eberhard-Karls Universität, he returned to the U.S. to teach English at the University of Southern Colorado. Within three years, he was made department chair, serving in that capacity for two years before becoming Director of the Center for International Studies.

Dr. Kaplan also served as dean of Arts and Humanities at SUNY College at Buffalo and as Dean of the College of Liberal Arts and Sciences at Butler University.

In addition to earning his Ph.D. in Comparative Literature at Eberhard-Karls Universität, Dr. Kaplan holds a Master of Arts degree (with a concentration in philosophy, German and English) from Eberhard-Karls Universität and a Bachelor of Arts degree from the University of California at Los Angeles.

Dr. Kaplan is the author of a book on American translations of the poetry of Rainer Maria Rilke; a book on Tim O'Brien's fiction, published by the University of

South Carolina Press; and an anthology of international war stories, published by the University Press of Colorado. He also has written a number of scholarly essays.

Dr. Kaplan and his wife, Anemone Schweizer-Kaplan, are both ardent opera buffs and love to ballroom dance, hike and downhill ski. They share a great love for the visual and performing arts and have traveled to more than 30 countries during their 35 years together, including Tanzania, where they hiked up Mt. Kilimanjaro. They have a son and three daughters.

Dr. Kaplan grew up in Chicago, the son of a shoe store owner and an actress-comedienne. He said his stepfather, Irving Glovin, taught him to love ideas and appreciate the contributions we all need to make to good causes. Irv Glovin was a good friend of Oskar Schindler, was instrumental in getting the story out in book and film form (he was associate producer of the film), and is President of the Oskar Schindler Humanitarian Foundation. Dr. Kaplan also serves on the board of the Foundation.

Anemone Schweizer-Kaplan grew up in Southwest Germany. She holds the equivalent of an American M.A. in Secondary Education and taught at a German high school. She is a ceramics artist and taught German and pottery as an adjunct faculty member in Colorado and Virginia.

**Deborah Chin, Associate Vice President, Director of Athletics and Recreation**

Deborah Chin became the University of New Haven's fourth Director of Athletics in 1993, and currently oversees a department which sponsors 16 NCAA Division II varsity sports. She was elected to the prestigious position of Chair of the NCAA's Division II Management Council for 2008 and currently serves as Chair of the NCAA Division

II Membership Committee. She was promoted to Associate Vice President, Director of Athletics and Recreation in 2010.

UNH Athletics has enjoyed a high level of success across the board during Chin's tenure as Director of Athletics, advancing to NCAA tournament over 75 times in 20-plus years. UNH has recently made a number of capital improvements to athletic and recreational facilities, including the construction of the multi-million dollar David A. Beckerman Student Recreation Center, a \$1.3 million synthetic turf renovation of Kayo Field (soccer and lacrosse), as well as installation of state-of-the-art blue and gold synthetic turf at the new Ralph F. DellaCamera Stadium.

During the previous two years, the Chargers have seen great accomplishments on the playing field and in the classroom. In each of the previous two athletic seasons, at least 14-of-16 teams advanced to the postseason and the New Haven student-athletes have boasted over a 3.10 cumulative grade point average.

In 2007, Chin spearheaded efforts to re-instate football as a varsity program and find UNH a new athletics conference that best fits the institution's long-term academic and athletic aspirations. Both goals were

accomplished when UNH announced on November 13, 2007 that it had been accepted as a full member of the prestigious Northeast-10 Conference, effective the 2008-09 academic year. After a five-year hiatus, the Charger football team returned to the gridiron in 2009, and have since won three conference championships and advanced to the NCAA Quarterfinals.

A member of the University of New Haven staff since 1975, Chin began her UNH career as Coordinator of Women's Athletics. She was responsible for starting the women's intercollegiate athletic program at UNH, coaching volleyball, tennis, basketball and softball in the early years. Chin eventually surrendered all head coaching responsibilities, except volleyball, when she was promoted to Associate Director of Athletics in 1979.

Among her numerous honors, Chin was named the NACWAA NCAA Division II Administrator of the Year in 2009 after serving as the D-II Management Council Chair. In 2007, the Connecticut Sportswriters' Alliance presented Chin with the Gold Key Award, the state's top sporting honor which recognizes significant contributions to athletics in the State of Connecticut. Chin won the NACDA/Continental Airlines Athletic Director of the Year for the Northeast Region in 1998-99 and was awarded the NACWAA Josten's District I Administrator of the Year Award in 1997. Chin won the National Association for Girls and Women in Sports Presidential Award in March 1997 and was the Connecticut Post Woman of the Year in 1993. Chin has also earned the U.S. Volleyball Association Meritorious Service Award and the YMCA Women in Leadership Award. In 2010, she was honored as an Elm City Legend, an event which recognizes the greater New Haven region's best in sports and community dedication.

As head women's volleyball coach, Chin fashioned a

Hall of Fame resume - literally - earning induction into the American Volleyball Coaches Association (AVCA) Hall of Fame in December, 2006. Chin is also a member of the Connecticut Volleyball Hall of Fame (Inducted October, 1998), the Connecticut Women's Basketball Hall of Fame (April, 1999), and the Athletics Hall of Fame at her alma mater, SUNY-Cortland.

In a 19-year career (1975-93) as head coach for the Chargers, she posted a 578-179 record (.764) and was at that time only the fifth Division II coach to win 500 career matches. The Chargers made 10 trips to the NCAA tournament during Chin's reign, reaching the top five four times. Her awards include six AVCA Northeast Region Coach of the Year distinctions as well as eight New England Collegiate Conference Coach of the Year honors. Chin coached the Chargers to twelve 30-win seasons, including six straight. She is also recognized internationally as a top volleyball clinician.

As an administrator, Chin has served on over 30 national and regional committees. In addition to her current position as Chair of the NCAA Division II Membership Committee, her resume includes terms as Chair of the NCAA Division II Management Council (2008), chairperson for the NCAA Division II Volleyball Committee (1988-92), the NCAA Division II Baseball Committee (1997-2001), the NCAA Northeast Regional Football Committee (1999-2003), and the NACDA John McLendon Minority Scholarship Committee (1999-present). She also served four years on the NACWAA Board of Directors (1993-96), and acted as the Volleyball Commissioner for the 1995 Special Olympics World Games held in New Haven.

A graduate of SUNY-Cortland with a Bachelor's of Science in Physical Education, Chin earned her Master's of Science degree in Physical Education from UNC-Greensboro.

NCAA Division II

NORTHEAST-10 CONFERENCE

The Northeast-10 Conference is an NCAA Division II conference that was established in 1979. The conference consists of 15 member institutions located throughout the Northeast in the states of Connecticut, Massachusetts, New Hampshire, New York and Vermont. With the addition of women's golf in 2014-15, the NE-10 now sponsors a total of 24 sports.

The institutions that make up the Northeast-10 are Adelphi University (Garden City, N.Y.), American International College (Springfield, Mass.), Assumption College (Worcester, Mass.), Bentley University (Waltham, Mass.), Franklin Pierce University (Rindge, N.H.), Le Moyne College (Syracuse, N.Y.), Merrimack College (North Andover, Mass.), University of New Haven (West Haven, Conn.), Pace University (Pleasantville, N.Y.), Saint Anselm College (Manchester, N.H.), Saint Michael's College (Colchester, Vt.), The College of Saint Rose (Albany, N.Y.), Southern Connecticut State University (New Haven, Conn.), Southern New Hampshire University (Manchester, N.H.), and Stonehill College (Easton, Mass.).

The conference's 15 member institutions are spread geographically from Syracuse, N.Y. to Waltham, Mass. and from Colchester, Vt. to Garden City, N.Y. Many of the members are located in or around the metropolitan areas of Albany, Boston, Manchester, New Haven, Worcester and New York City. The Northeast-10 was proud to welcome the New Haven and Adelphi in the conference's latest expansion, adding to the powerful union of strong academic and athletic institutions. In addition, LIU Post (Brookville, N.Y.) is an associate member of the NE-10 in the sports of field hockey and football.

The Northeast-10 has evolved into a membership committed to competitive athletics programs that emphasize the education, both on and off the field, of more than 6,000 student-athletes. Among the many accomplishments of these institutions are NCAA Division II national championships in women's basketball, women's cross country, field hockey, men's lacrosse, women's lacrosse, men's soccer, women's soccer, women's track and field, and men's and women's swimming and diving.

The conference is coming off yet another banner season in 2014-15. The Adelphi women's lacrosse team repeated as national champions by defeating Lock Haven, 5-4, in the title game. Also, Southern Connecticut's Chrystle Hill, Georgette Nixon, Sarah Hill and Shatajah Wattely claimed the national title in the 4x400 relay at the NCAA Indoor Track & Field Championships.

When it came to NCAA postseason selections, the NE-10 once again had another sensational year with 48 teams chosen to participate in national tournaments during the year. On top of that, representatives from 34 different swimming and diving, cross country and track & field teams competed for national titles. Of those 48 teams, 13 different Northeast-10 institutions were represented, while nine teams from the conference advanced to at least the national quarterfinal round in national tournament play – a new NE-10 record.

From the field of play to inside the classroom, the Northeast-10 honored a number of student-athletes for their academic accomplishments. A record-breaking 73 percent of the league's 287 athletic teams garnered a team grade point average of 3.0 or higher. Overall, nearly 59 percent of all conference student-athletes earned at least a 3.0 GPA throughout the 2014-15 academic year and were named to the Commissioner's Honor Roll (CHR) as a result. An astonishing 164 student-athletes earned a perfect 4.0 GPA in the fall before 205 more did so in the spring. The Northeast-10 also honored 247 student-athletes as members of its academic all-conference teams.

The Northeast-10 also remains focused on its community endeavors. The conference has built a strong partnership with Team IMPACT, a non-profit organization that matches children with life-threatening illnesses with college sports teams. In 2015, the NE-10 became the first 'fully-matched' conference in Division II, as at least one team from each member institution has matched with a Team IMPACT child. More than 60 NE-10 teams currently have matches through Team IMPACT. The conference's fundraising efforts for Make-A-Wish are also more than any other Division II conference in the country over the past decade.

Through the establishment and enforcement of regulations, the conference aims to encourage policies that enable intercollegiate athletics programs to contribute to and be considered an integral part of the total educational offerings at our member institutions. The Northeast-10 can look to a long history of success including the growth from seven original member institutions to more than double its size 35 years later, the contention for and winning of multiple national championships, and the recognition of student-athlete performances off the field and in the classroom.

UNIVERSITY OF NEW HAVEN DEPARTMENT OF ATHLETICS

DEPARTMENT OF ATHLETICS MISSION STATEMENT

The mission of the department of intercollegiate athletics is to support the mission of the university and to integrate intercollegiate athletics into higher education so that the educational experience of the student-athlete is paramount. The department will provide growth opportunities to achieve in a nationally competitive intercollegiate program that attracts, nurtures and graduates student-athletes who under the guidance of a quality staff, represent the University of New Haven with character and integrity while achieving academic excellence, serving the community and pursuing excellence in their respective sports.

DEPARTMENT OF ATHLETICS PHILOSOPHY

Higher education has lasting importance on an individual's future success. For this reason, the emphasis for the student-athlete experience at the University of New Haven is a comprehensive program of learning and development in a personal setting. As an NCAA Division II program, our approach provides growth opportunities through academic achievement, learning in high-level athletic competition and development of positive societal attitudes in service to community. The balance and integration of these different areas of learning opportunity provide our student-athletes a path to graduation while cultivating a variety of skills and knowledge for life ahead.

The University of New Haven seeks to provide the world with leaders who can make a positive difference in a global society. Student-athletes are afforded unique opportunities for leadership because of the visibility provided through athletics competition. UNH's intercollegiate program provides opportunities for its student-athletes to develop moral virtues, such as courage, self-confidence, and integrity and to learn communication and teamwork skills associated with outstanding leadership. Thus the Department of Athletics helps the University satisfy its primary aspiration, which is to prepare students to lead purposeful and fulfilling lives in a global society through experiential, collaborative, and discovery-based learning.

The Department of Athletics is committed to delivering intercollegiate athletics programs that are consistent with the University's mission and generates the trust and support of its various constituencies. The goal of the department is to field sports teams that compete successfully against other NCAA Division II teams while upholding the academic standards of the University of New Haven. The department is also committed to conducting its programs in strict adherence to the policies, rules and regulations set by the University's administration, Board of Governors, the NCAA and the Northeast-10 Conference.

Through its programs, the department gives its student-athletes of different genders, races, religions, national origins and sexual orientation opportunities to participate in intercollegiate competition. The intercollegiate program will function free of discrimination with a University commitment to the adherence to Title IX and the Office of Civil Rights guidelines. A major goal of the Department of Athletics is to help student-athletes realize the full potential of their athletic abilities while also increasing their intellectual capabilities and providing them a meaningful opportunity to earn a baccalaureate degree. The department will not compromise its commitment to educate and graduate its student-athletes.

Department of Athletics personnel are expected to represent the University in a manner consistent with UNH's principles and values. All personnel are expected to perform their responsibilities with the highest standards of integrity, ethical behavior and sportsmanship at all times. Coaches and staff are expected to treat student-athletes fairly and with respect and to facilitate leadership that helps them mature physically, intellectually, emotionally and socially.

DEPARTMENT OF ATHLETICS HIGHLIGHTS

- Women's Basketball won the NCAA Division II National Championship in 1987, becoming the first team from the Northeast Region to win the title.
- Women's track and field has produced arguably the most successful individual student-athlete in Charger athletics history. Shannon Gagne won an unmatched five national championships during the 2010-11 academic year and helped bring the program a fourth place finish at the 2011 NCAA Division II Indoor Track & Field National Championship meet - the highest finish in program history.
- The UNH women's volleyball team has reached the NCAA Sweet 16 twenty times since 1983, and advanced to the NCAA Elite Eight thirteen times.
- Baseball has consistently been ranked as one of the winningest Division II programs in NCAA history. Baseball Coach Emeritus Frank "Porky" Vieira retired after the 2006 season as Division II's all-time winningest coach by percentage, and logged 1,127 career victories. The team has appeared in 17 College World Series and made 33 Regional appearances, including their most recent run in 2013.
- Baseball has also produced nine major league players, including former Cy Young winner Steve Bedrosian of the Philadelphia Phillies and First Round Draft Pick Cameron Drew.
- The football program has appeared in six NCAA championship playoffs, earning runner-up status in 1997. At the time, the title-game appearance made UNH the only football team in the State of Connecticut to ever compete for a national title and the smallest school (in terms of enrollment) to compete for an NCAA Championship. Most recently, the football program has appeared in the NCAA tournament in both 2011 and 2012.
- Tailback Roger Graham won the 1993 Harlon Hill Trophy as the top Division II Football Player in the nation.
- Men's Soccer reached the NCAA finals in 1976 as has appeared in three Final Fours.
- Women's Lacrosse has appeared in the NCAA regional championship three times, most recently in 2015.
