## QUICK FACTS

**Founded:** 1920

**Campuses:** The main campus is located in West Haven, Connecticut, 82 acres on a hilltop overlooking Long Island Sound and the culturally rich city of New Haven. A southeastern branch is located in New London, Connecticut. A northern branch is located in Orange, Connecticut and a study abroad campus in Tuscany, Italy.

**Enrollment:** 5,002 undergraduate fulltime, 6,786 total enrollment

**Student Ratio:** 48.9% Female, 51.1% Male

## FACULTY

Over 83% hold Ph.D.s or the highest degree in their fields. Many have backgrounds as working professionals and are consultants to Connecticut businesses, bringing hands-on experience to the classroom. UNH has a student-to-faculty ratio of 16:1.

## ACADEMIC PROGRAMS

UNH offers 86 undergraduate and graduate degree offerings in the arts and sciences, business, criminal justice, engineering and forensic sciences.

## SPECIAL ACADEMIC PROGRAMS

Honors Program for highly-motivated students with high levels of academic achievement. Freshman-year program for all new freshmen to help them make the transition into university life. Center for Learning Resources offers free tutoring for students seeking extra help with their studies.

## INTERNSHIPS

Our location in New Haven and proximity to New York City and Hartford allow us to offer internships with a wide variety of businesses, government, and non-profit agencies, including ESPN, MTV, Disney, FBI Crime Labs, U.S. Attorney's Offices, Unilever, and United Technologies Corporation, among others.

## RESIDENTIAL LIFE

Making you feel at home is a priority at UNH. Our on-campus housing is available in 13 residence halls. Residential Life staff members live in each hall and help promote an atmosphere conducive to study and social interaction among students. Residence Hall Councils, composed of students elected by their peers, plan social and recreational activities and serve as representatives for students living in each hall. Room accommodations range from traditional residence halls (equipped with a fitness room and campus convenience store) to multi-bedroom, apartment-style residences.

*The David A. Beckerman Recreation Center was made possible by a generous donation from alumnus David A. Beckerman. The Center includes basketball courts; a*

*multi-sport court for rollerblading, roller hockey, volleyball and indoor soccer; a fitness center with aerobic equipment, weights and television; a multi-purpose room for yoga, step aerobics, Pilates and other activities; an elevated running track; and a lounge area for relaxation.*

**For more information visit us online at: [www.newhaven.edu](http://www.newhaven.edu) or call 800-DIAL-UNH (800-342-5864) to speak with an admissions representative.**

**University of New Haven**

Head Coach (2007-Present)

**Greens Farms Academy**

Head Coach (2000-06)

**Sacred Heart University**

Head Soccer Coach (1997-00)

## THE COACHES

## JEN FALLON

**HEAD COACH**  
**11TH SEASON**  
**SACRED HEART '96**

Jen Fallon, the 2008 Inside Lacrosse Division II National Coach of the Year, enters her 11th season as the head coach of New Haven women's lacrosse in the spring of 2017. The longest-tenured coach in program history, Fallon is the Chargers' all-time leader with 123 career wins and a .668 winning percentage (123-61). Entering the season, she is tied for seventh among active Division II coaches by wins and is seventh in winning percentage.

The 2016 squad earned an NCAA Tournament berth for the third consecutive season. The team won three contests against ranked opponents including a 10-0 shutout over No. 14 Stonehill, the program's first blanking since 2003. Fallon saw senior Corinne Fisher crack the record books, as she entered the program's top ten in total points, goals and assists while fellow senior Maya Szymanski also broke into the top ten in assists. Fallon guided her players to seven All-Conference and seven IWLCA awards.

In 2015, the program continued to excel, qualifying for its second consecutive NCAA Tournament appearance as Fallon once again garnered Northeast-10 Conference Coach of the Year accolades. The team won its first ever game against Adelphi, snapping a 36-game winning streak for the top-ranked Panthers. Fallon also mentored the IWLCA Division II National Defensive Player of the Year, Brittany Ast and saw Kathryn Campbell become the second player in school history to reach the 300 point mark in her career.

Behind Northeast-10 Conference Coach of the Year honors for Fallon, the 2014 campaign tied a program-record for wins (16) and set a new record with an 11-1 NE10 slate. The Chargers played the ninth toughest schedule in Division II and the second toughest in the NE10 with eight games against teams ranked in the top 15. New Haven earned its highest-ever national ranking at No. 4 - a position it held for five-straight weeks starting on April 7. UNH finished the year with its highest ever national ranking at No. 6. Junior midfielder Kathryn Campbell became the program's third All-America First Team selection and was New Haven's first NE10 Midfielder of the Year honoree. Brittany Ast and Nicole McKee were All-America Second Team selections as well - making 2014 one of the most decorated years in Charger history. The three joined seven others who received postseason awards from the conference. The Chargers' postseason run began with their second appearance in the Northeast-10 Conference Championship Game and finished in their second NCAA Division II quarterfinal appearance.

Playing one of the toughest schedules in the nation in 2013, the Chargers finished with a record of 12-7 and climbed as high as No. 8 in the national rankings. Rachel Resnick and Natalie Lieberman were both named Second Team All-America by the IWLCA, with Resnick garnering Northeast-10 Defensive Player of the Year honors. In total, five New Haven student-athletes claimed year-end accolades. All seven of New Haven's losses came against nationally-ranked competition, and the Chargers also won two contests against ranked opponents en route to an NE10 postseason win and trip to the conference semifinals.

In 2012, Fallon guided the Chargers to a 13-5 record and a national ranking as high as No. 6 from the IWLCA. The season included a victory over No. 3 and

eventual national champion C.W. Post as one of New Haven's four triumphs over nationally-ranked opponents. Ashley Ferrandiz, Aubrey Duncan and Alexis Gabbe all earned IWLCA All-America status and headed a list of six Chargers to earn All-Northeast-10 laurels. Fallon was recognized by her peers as the conference's Coach of the Year for the second time in four seasons as a member of the NE10.

Fallon previously earned NE10 Coach of the Year laurels in 2009 - New Haven's first season as a member of the prestigious Division II conference. In that campaign, the Chargers won the Northeast-10 Conference Championship to garner the program's first-ever NCAA Championship berth. Fallon's 2009 club finished at 16-4 with a 9-1 NE10 record - setting the program record for wins and conference wins in a season and starting the streak of four consecutive trips to the Northeast-10 Championship that remains active through 2012. She guided New Haven to seven wins in 2010 and notched a winning season in 2011 with a 10-8 tally.

The 2008 campaign saw Fallon named the Inside Lacrosse Division II National Coach of the Year in her second season at the helm after leading the Chargers to the program's first-ever winning campaign with a then-program-record 14 victories and just three losses. Fallon, who was also named the East Coast Conference Coach of the Year, mentored Brigid Brady '09 to the program's first Division II All-America honor following her third-consecutive 50-goal season.

Fallon took over the Chargers' program in 2007 and, in her first spring at New Haven, matched the program record with seven victories.

Before coming to New Haven, Fallon served as the head girls' lacrosse coach and physical education teacher at Greens Farms Academy in Westport, Conn., with additional duties in the areas of policy & curriculum and athletic game management.

Fallon started her coaching career at her alma mater in 1997 as Sacred Heart University's head women's soccer coach from 1997-2000. Fallon also served as the school's assistant compliance coordinator for two years while coaching.

As a collegiate lacrosse player, Fallon was a three-time Division II All-America selection (1994-96) and is Sacred Heart's all-time scoring leader with 264 career points. She scored 212 career goals with 52 assists and, in her All-America seasons, posted three of the school's top-four single-season point totals. She is 20th on the Division II national career scoring list, and is ninth all-time in goals scored.

A native of Milford, Conn., Fallon earned her bachelor's degree in psychology from Sacred Heart in 1996. She is a member of the U.S. Lacrosse Association, the CGSCA and NSCAA, and is CPR and AED certified. She currently resides in Fairfield, Conn.

# THE COACHES

## ASHLEY FERRANDIZ

### ASSISTANT COACH

**FIFTH SEASON  
NEW HAVEN '12**

After completing one of the most storied careers of any Charger women's lacrosse player, Ashley Ferrandiz joined the coaching staff prior to the 2013 season.

The 2012 UNH Female Athlete of the Year, Ferrandiz anchored the Chargers' midfield for four seasons. Her career accolades are vast, including an All-America First Team selection and numerous All-Region honorees.

The program's most prolific scorer, Ferrandiz's name can be found at the top of nearly every record. She holds the career points (314) and assists (128) records, while ranking second in goals (186). She holds two of the top three single-season point records and two of the top three single-season assist

records. On April 14, 2012 she scored an incredible 10 total points against Southern New Hampshire, becoming the first Charger to ever accomplish such a feat.

Off the field, Ferrandiz served as the President of NewHaven's Student-Athlete Advisory Committee for two seasons and was a Presidential Public Service Fellow during the summer of 2010. Currently, Ferrandiz teaches mathematics at the Engineering & Science University Magnet Middle and High School.

Ferrandiz earned two Bachelor's degrees, one in Psychology and one in Mathematics in May of 2012 and added a Master's degree in Education in 2013.

## CORINNE FISHER

### ASSISTANT COACH

**FIRST SEASON  
NEW HAVEN '16**

Corinne Fisher joins the Charger's coaching staff following a decorated four-year career as a women's lacrosse player at New Haven.

The 2016 Northeast-10 Conference Midfielder of the Year and IWLCA Division II Co-Midfielder of the Year, Fisher was a three-year starter for the Chargers and wrapped up her career amongst the program leaders in many categories. She is in the top ten in total points, goals, assists, ground balls, draw controls and caused turnovers. Her 146 career points, 109 goals and 37 assists rank tenth in each category. Fisher graduated seventh all-time in ground balls, draw controls and caused turnovers, finishing with 134, 147 and 76, respectively.

A three-time All-Conference Team honoree, Fisher was also

named thrice named to the IWLCA All-North Region Team, participated in the IWLCA North-South All-Star Game and named New England Lacrosse Journal Division II Player of the Year. In a 15-11 victory over Saint Anselm (4/23/16), the senior captain recorded her most points in a game (eight) with five goals and three assists as the Chargers qualified for the NCAA Division II tournament for the third consecutive season.

Fisher graduated with a degree in Business Management.

A Jackson, N.J. native, Fisher is currently pursuing a master's degree in Business Administration.

**Personal:**

Daughter of Frisco and Rita Linton...Has three older sisters.

## 2017 PREVIEW

Coming off its third consecutive trip to the NCAA Tournament, the University of New Haven women's lacrosse team is looking for another strong season in 2017. Under the direction of 11th year head coach, Jen Fallon, the Chargers bring back three of their top five scorers from a season ago as well as an all-region selection on defense as they once again look to finish towards the top of an always highly-competitive Northeast-10 Conference.

**ATTACK**

Senior Caitlin O'Brien leads the New Haven offense coming off a season in which she scored 38 goals and assisted on 25 others, garnering NE10 Third Team honors. Also returning for New Haven is junior Jessica Mazliah who started all 20 games for the Chargers, scoring 26 times and finishing fifth in the conference with 30 assists. Sophomore Mackenzie Reh is expected to see a significantly increased role from a season ago to help bolster the attack. Fellow Sophomore Samantha Galler, an All-Rookie Team selection last season, has continued to develop and will be counted on for scoring punch. Also expected to make significant contributions will be freshmen Caroline Maher, a crafty attacker with great vision and Julia Jette, a crease crasher who is a composed finisher and experienced feeder. Freshmen Hailey Rattigan will provide depth on the draw and behind the cage along with Olivia Serpa who is a quick dodging attacker. Sophomore Kayla Pjatak, who saw in five games during the 2016 season, will miss the upcoming year due to injury.

**MIDFIELD**

Leading the way in the midfield are senior Nicole Belanger and graduate student Kendall Ciatek. Belanger is taking on a different role in 2017, as she will be asked to be more of a playmaker, taking advantage of her two-way abilities while providing a boost to the transition game. Ciatek comes to New Haven from Division I Villanova where she played in 36 games during her career. She is expected to provide scoring punch as a hard-driving player coming through the middle or around the fan.

**DEFENSE**

Arguably the strongest returning unit for the Blue and Gold, New Haven brings back all four starters from a team that ranked in the top-20 nationally in scoring defense. Senior Hannah Johnson was an IWLCA All-North Region and Northeast-10 Conference Second Team performer a season ago. Fellow seniors Meredith Michel and Alicia Mortali started a combined 39 of a possible 40 games last year with Michel scooping up 34 ground balls. Junior Courtney Duffy started 19 of 20 games in 2016 and ranked third on the Chargers with 13 caused turnovers. Seeing an increased role this season is sophomore Marie Cox, who is strong 1-on-1 defender with terrific speed. Freshman Zoe Wilkins a very strong on ball and off ball defender will be used both defensively and in the midfield while fellow freshman Raven Linton will add tremendous speed to help in transition and could see time on the draw. Sophomore Madison Unterstein will provide depth defensively after gaining some experience last year.

**GOALKEEPERS**

After graduating the tandem of Alyssa Gianotti and Marissa McDermott, New Haven has some big shoes to fill between the pipes. It will be an open competition between freshmen Gianna Guerra and Erica Rinsky and sophomore Alexa Carbone. Guerra is very technical in net and a great distributor of the ball while Rinsky is a shot stopper who plays with energy and makes saves. Carbone saw action last year for the Blue and Gold, making a pair of saves at Merrimack.

**SCHEDULE**

For the sixth consecutive season, New Haven earned a spot in the IWLCA Division II Preseason Coaches Poll, ranking 11th. The 17-game slate includes 13 games against Northeast-10 Conference opponents and three games against teams that participated in the 2016 NCAA Tournament.

"Once again, we look forward to playing one of the most competitive schedules in all of Division II," said coach Fallon. "With the strength

and depth of the NE10, we know that every game will bring a challenge. Add to that three of the top teams in our region and we know we have our work cut out for us. Our seniors are eager to lead us back to the NCAA tournament, and we feel that this schedule gives us the best opportunity to get there."

The Chargers open their season on Thursday, Mar. 2, traveling to Rockville Centre, N.Y. to face Molloy. The home opener follows on Monday, Mar. 6 against cross-town rival Southern Connecticut State. Tiffin comes to West Haven for the first meeting between the two schools on Mar. 12 followed by Saint Thomas Aquinas on Mar. 15.

After the game against the Spartans, the remaining schedule is almost completely comprised of NE10 opponents with three of the next four on the road. Trips to Assumption (Mar. 18), Stonehill (Mar. 29) and Franklin Pierce (Apr. 1) sandwich a home date against Merimack on Mar. 25.

New Haven takes on American International at home on Apr. 4 before facing arguably the toughest stretch of its schedule. Perennial North Region and conference power Le Moyne visits Kayo Field on

Saturday, Apr. 8. Next on the schedule is a trip to Garden City, N.Y. to take on Adelphi on Apr. 12. The Panthers have won two of the last three national championships and advanced to the title game last season.

Following a home game against Saint Michael's on Apr. 15, the Blue and Gold plays its next four contests on the road, starting with Pace on Apr. 18. The Chargers travel to Brookville, N.Y. for their final non-conference game of the year on Apr. 20 against LIU Post before taking on Saint Anselm and Southern New Hampshire on Apr. 22 and 26. The regular season comes to a close with a home date against Bentley on Apr. 29.

The top eight teams in the conference standings qualify for the Northeast-10 Championship, which begins on May 3 with quarterfinal games to be played at the higher seed. A final four for the semifinals and finals comes up on May 6 and 7 at the site of the highest remaining seed following quarterfinal play. The NCAA Championship gets underway with a first round contest on May 12 and the second round on May 13. The semifinals and national championship will take place on May 19 and 21 in Bloomsburg, Pa.

## UNIVERSITY ADMINISTRATION

## Steven H. Kaplan, Ph.D., University President

Since becoming president of the University of New Haven in 2004, Steven H. Kaplan, Ph.D. has led the University of New Haven through a period of remarkable growth and development. In the past seven years alone, enrollment has grown by 42 percent to more than 6,400 undergraduate and graduate students, who hail from 35 states and some 45 countries. Full-time undergraduate enrollment has grown by 86 percent and applications have increased by 176 percent. During this time, the University has

completed over \$110 million in construction projects and has launched 17 new academic programs.

UNH now ranks among the top comprehensive universities in the North and boasts nationally ranked programs in a number of majors across business, criminal justice, engineering, forensic science, and the liberal arts and sciences. In recognition of his contributions to transforming the University, Dr. Kaplan was named "Businessman of the Year" by Business New Haven magazine in 2008.

President Kaplan also was awarded the 2011 William M. Burke Presidential Award for Experiential Education by the National Society for Experiential Education. The award recognizes President Kaplan's efforts to make UNH a national leader in experiential education, requiring every undergraduate student to complete an internship, an academic service learning experience, international study or a faculty-mentored research project before graduation.

Previously, Dr. Kaplan was chancellor and professor of English at the University of Virginia's College at Wise, the only four-year branch campus of the University of Virginia and one of the nation's best public colleges, according to U. S. News & World Report.

Dr. Kaplan began his teaching career in 1982 as an Instructor of English at the University of Maryland, European Division. From 1985-1989, he served as Visiting Lecturer in American Studies at Eberhard-Karls Universität, Tübingen, Germany – one of the oldest and most highly regarded universities in Europe. After completing his doctoral studies at Eberhard-Karls Universität, he returned to the U.S. to teach English at the University

of Southern Colorado. Within three years, he was made department chair, serving in that capacity for two years before becoming Director of the Center for International Studies.

Dr. Kaplan also served as dean of Arts and Humanities at SUNY College at Buffalo and as Dean of the College of Liberal Arts and Sciences at Butler University.

In addition to earning his Ph.D. in Comparative Literature at Eberhard-Karls Universität, Dr. Kaplan holds a Master of Arts degree (with a concentration in philosophy, German and English) from Eberhard-Karls Universität and a Bachelor of Arts degree from the University of California at Los Angeles.

Dr. Kaplan is the author of a book on American translations of the poetry of Rainer Maria Rilke; a book on Tim O'Brien's fiction, published by the University of South Carolina Press; and an anthology of international war stories, published by the University Press of Colorado. He also has written a number of scholarly essays.

Dr. Kaplan and his wife, Anemone Schweizer-Kaplan, are both ardent opera buffs and love to ballroom dance, hike and downhill ski. They share a great love for the visual and performing arts and have traveled to more than 30 countries during their 35 years together, including Tanzania, where they hiked up Mt. Kilimanjaro. They have a son and three daughters.

Dr. Kaplan grew up in Chicago, the son of a shoe store owner and an actress-comedienne. He said his stepfather, Irving Glovin, taught him to love ideas and appreciate the contributions we all need to make to good causes. Irving Glovin was a good friend of Oskar Schindler, was instrumental in getting the story out in book and film form (he was associate producer of the film), and is President of the Oskar Schindler Humanitarian Foundation. Dr. Kaplan also serves on the board of the Foundation.

Anemone Schweizer-Kaplan grew up in Southwest Germany. She holds the equivalent of an American M.A. in Secondary Education and taught at a German high school. She is a ceramics artist and taught German and pottery as an adjunct faculty member in Colorado and Virginia.

THE UNIVERSITY

NCAA

Division II

# NE10

The Northeast-10 Conference is an NCAA Division II conference that was established in 1979. The conference consists of 15 member institutions located throughout the Northeast in the states of Connecticut, Massachusetts, New Hampshire, New York and Vermont. With the addition of women's golf in 2014-15, the NE10 now sponsors a total of 24 sports.

The institutions that make up the Northeast-10 are Adelphi University (Garden City, N.Y.), American International College (Springfield, Mass.), Assumption College (Worcester, Mass.), Bentley University (Waltham, Mass.), Franklin Pierce University (Rindge, N.H.), Le Moyne College (Syracuse, N.Y.), Merrimack College (North Andover, Mass.), University of New Haven (West Haven, Conn.), Pace University (Pleasantville, N.Y.), Saint Anselm College (Manchester, N.H.), Saint Michael's College (Colchester, Vt.), The College of Saint Rose (Albany, N.Y.), Southern Connecticut State University (New Haven, Conn.), Southern New Hampshire University (Manchester, N.H.), and Stonehill College (Easton, Mass.).

The conference's 15 member institutions are spread geographically from Syracuse, N.Y. to Waltham, Mass. and from Colchester, Vt. to Garden City, N.Y. Many of the members are located in or around the metropolitan areas of Albany, Boston, Manchester, New Haven, Worcester and New York City. The Northeast-10 was proud to welcome the New Haven and Adelphi in the conference's latest expansion, adding to the powerful union of strong academic and athletic institutions. In addition, LIU Post (Brookville, N.Y.) is an associate member of the NE10 in the sports of field hockey and football.

The Northeast-10 has evolved into a membership committed to competitive athletics programs that emphasize the education, both on and off the field, of more than 6,000 student-athletes. Among the

many accomplishments of these institutions are NCAA Division II national championships in women's basketball, women's cross country, field hockey, men's lacrosse, women's lacrosse, men's soccer, women's soccer, men's and women's track and field, and men's and women's swimming and diving.

The conference is coming off another successful year, collecting four national titles in 2015-16. Two champions from the NE10 were crowned at the NCAA Indoor Track & Field Championships during the winter season. First it was American International's Chandler Cotton, Jr., Kemani Hume, Leakey Kipkosgei and Chad Miller claiming the men's distance medley relay title with a time of 9:48.02. Then Merrimack's Carly Muscaro won the women's 400-meter dash title with a time of 52.34 the following night.

Muscaro wasn't quite finished, however, as she defended her 400-meter dash crown at the NCAA Outdoor Track & Field Championship, winning her second individual national championship of 2015-16 by finishing the 400 in 51.32, just .03 seconds shy of the meet record. The very next day, Le Moyne defeated Limestone, 8-4, to win its fifth NCAA Men's Lacrosse Championship and cap off a perfect 20-0 season.

When it came to NCAA postseason selections, the NE10 once again had another sensational year with 44 teams chosen to participate in national tournaments during the year. In addition, student-athletes from 32 different men's and women's golf, swimming and diving, cross country, and indoor and outdoor track & field teams competed for national titles. Of those 44 teams earning NCAA bids, 14 different Northeast-10 institutions were represented. Seven NE10 teams reached the national semifinal round, while three teams played in their respective sport's national title game.

	Adelphi University Panthers Garden City, N.Y.

## UNIVERSITY OF NEW HAVEN DEPARTMENT OF ATHLETICS

### DEPARTMENT OF ATHLETICS MISSION STATEMENT

The mission of the department of intercollegiate athletics is to support the mission of the university and to integrate intercollegiate athletics into higher education so that the educational experience of the student-athlete is paramount. The department will provide growth opportunities to achieve in a nationally competitive intercollegiate program that attracts, nurtures and graduates student-athletes who under the guidance of a quality staff, represent the University of New Haven with character and integrity while achieving academic excellence, serving the community and pursuing excellence in their respective sports.

### DEPARTMENT OF ATHLETICS PHILOSOPHY

Higher education has lasting importance on an individual's future success. For this reason, the emphasis for the student-athlete experience at the University of New Haven is a comprehensive program of learning and development in a personal setting. As an NCAA Division II program, our approach provides growth opportunities through academic achievement, learning in high-level athletic competition and development of positive societal attitudes in service to community. The balance and integration of these different areas of learning opportunity provide our student-athletes a path to graduation while cultivating a variety of skills and knowledge for life ahead.

The University of New Haven seeks to provide the world with leaders who can make a positive difference in a global society. Student-athletes are afforded unique opportunities for leadership because of the visibility provided through athletics competition. UNH's intercollegiate program provides opportunities for its student-athletes to develop moral virtues, such as courage, self-confidence, and integrity and to learn communication and teamwork skills associated with outstanding leadership. Thus the Department of Athletics helps the University satisfy its primary aspiration, which is to prepare students to lead purposeful and fulfilling lives in a global society through experiential, collaborative, and discovery-based learning.

The Department of Athletics is committed to delivering intercollegiate athletics programs that are consistent with the University's mission and generates the trust and support of its various constituencies. The goal of the department is to field sports teams that compete successfully against other NCAA Division II teams while upholding the academic standards of the University of New Haven. The department is also committed to conducting its programs in strict adherence to the policies, rules and regulations set by the University's administration, Board of Governors, the NCAA and the Northeast-10 Conference.

Through its programs, the department gives its student-athletes of different genders, races, religions, national origins and sexual orientation opportunities to participate in intercollegiate competition. The intercollegiate program will function free of discrimination with a University commitment to the adherence to Title IX and the Office of Civil Rights guidelines. A major goal of the Department of Athletics is to help student-athletes realize the full potential of their athletic abilities while also increasing their intellectual capabilities and providing them a meaningful opportunity to earn a baccalaureate degree. The department will not compromise its commitment to educate and graduate its student-athletes.

Department of Athletics personnel are expected to represent the University in a manner consistent with UNH's principles and values. All personnel are expected to perform their responsibilities with the highest standards of integrity, ethical behavior and sportsmanship at all times. Coaches and staff are expected to treat student-athletes fairly and with respect and to facilitate leadership that helps them mature physically, intellectually, emotionally and socially.

### DEPARTMENT OF ATHLETICS HIGHLIGHTS

- Women's Basketball won the NCAA Division II National Championship in 1987, becoming the first team from the Northeast Region to win the title.
- Women's track and field has produced arguably the most successful individual student-athlete in Charger athletics history. Shannon Gagne won an unmatched five national championships during the 2010-11 academic year and helped bring the program a fourth place finish at the 2011 NCAA Division II Indoor Track & Field National Championship meet - the highest finish in program history.
- The UNH women's volleyball team has reached the NCAA Sweet 16 twenty times since 1983, and advanced to the NCAA Elite Eight thirteen times.
- Baseball has consistently been ranked as one of the winningest Division II programs in NCAA history. Baseball Coach Emeritus Frank "Porky" Vieira retired after the 2006 season as Division II's all-time winningest coach by percentage, and logged 1,127 career victories. The team has appeared in 17 College World Series and made 33 Regional appearances, including their most recent run in 2013.
- Baseball has also produced nine major league players, including former Cy Young winner Steve Bedrosian of the Philadelphia Phillies and First Round Draft Pick Cameron Drew.
- The football program has appeared in six NCAA championship playoffs, earning runner-up status in 1997. At the time, the title-game appearance made UNH the only football team in the State of Connecticut to ever compete for a national title and the smallest school (in terms of enrollment) to compete for an NCAA Championship. Most recently, the football program has appeared in the NCAA tournament in both 2011 and 2012.
- Tailback Roger Graham won the 1993 Harlon Hill Trophy as the top Division II Football Player in the nation.
- Men's Soccer reached the NCAA finals in 1976 as has appeared in three Final Fours.
- Women's Lacrosse has appeared in the NCAA regional championship four times, most recently in 2016.
